Welcome to the Beacon

Good afternoon and welcome to the Beacon as the FA Cup starts up again with the visit of Langney Wanderers...

It's been a very long time since Hassocks last tasted victory in the FA Cup - you have to go back to the 2013 to when Mickey Jewell's side saw off Dorking Wanderers 1-0 in a first qualifying round replay.

Can the Robins finally deliver some success in the world's greatest cup competition this afternoon? It will be a tough ask.

Today's visitors

We'd like to welcome the players, supporters and committee of Langney Wanderers and hope they enjoy their brief stay in Mid Sussex with us today.

It will actually be one of three brief stays as we will later take on Wanderers in the Peter Bentley League Cup as well as the Premier Division, so let's hope they like it here!

Our match sponsors

This being the FA Cup, we're delighted to welcome some match sponsors to the Beacon today with Sterling Financial & Property Services joining us for the afternoon.

Sterling are a Burgess Hill based company who have over 25 years of

property experience across Mid Sussex.

We'd like to thank them for their fantastic support and hope they enjoy their day - which they certainly will if Phil Johnson hits the winner.

No pressure, Jonno!

Comeback win against EP

Speaking of Jonno, the captain was in good form on Tuesday night as we got our first three points of the season on the board with a 2-1 win over East Preston.

It's no exaggeration to say it could have been much more. The bar was probably EP's busiest player and with a little more luck, we could have had four or five.

Tougher tests lie in wait but this was a much more improved performance on Saturday at Horley and gives Mark and the players something to build on, which they hopefully will this afternoon.

Under 23s clip Swans' wings

The Under 23s picked up an excellent 3-1 friendly win on Wednesday night against one of the better sides in the Mid Sussex Premier Division, Lindfield.

This was Dave John's first game in charge since taking over the side from Nigel Pearce and offered promising signs as they look to go one better than the two West Division runners up finishes secured in the last two years.

The real action gets underway against Oakwood here a week on Thursday (22nd August) and any support would be greatly appreciated.

Lancers up next at the Beacon

The first team's next scheduled home game meanwhile is the August Bank Holiday Monday meeting with Lancing.

There's two important things to note about this game currently - one is the kick off time, which is 11am.

The other is that we may yet be given a fixture 48 hours before it.

Saturday 24th is the date for the next round of the FA Cup, so should the worst happen today then we'll have a free weekend which the league may decide to fill with a fixture.

If they do, our website and social media feeds will keep you up to date.

**Enjoy the game,
Owen & Scott**

Since their founding in 2009 as a Sunday League side, Langney Wanderers have been on a distinctly upward journey. They'll be looking to write more history this afternoon in the FA Cup...

In just a decade, Wanderers have gone from playing in the Lewes & District Sunday League to competing in the world's most famous cup competition.

It's been a remarkable rise that hit new heights last season in what was their first ever campaign in the top flight of the Southern Combination League.

Their aim at the start was to survive and they did that with ease in the end, finishing in 15th spot and some 10 points clear of the relegation zone.

That was in part due to a blistering end of season run under the management of the wily Kenny McCreadie who remains at the helm at Priory Lane for this campaign.

McCreadie is an experienced operator at this level most notable for his time in charge of Hailsham Town and he's built a talented squad for this season that has every chance of surpassing last year's 15th placed finish.

They remain unbeaten in their two games so far and on Tuesday night produced what will probably still be the comeback of the

campaign after the remaining 36 fixtures of the season.

Trailing 3-0 away at one of the title favourites Newhaven with just 23 minutes remaining, Wanderers somehow managed to leave the Trafalgar Ground with a point after a remarkable recovery to draw 3-3.

This is a side who don't know when they are beaten and that means they'll provide stern opposition here at the Beacon.

In fact, it was only five months ago that we saw their never-say-die attitude for ourselves when Tyler Capon's equaliser 10 minutes from time rescued a share of the spoils for Wanderers with a 2-2 draw from their trip to Mid Sussex.

Late goals were a bit of a running theme between the two sides last season actually with Jordan Badger heading home an 89th minute leveller in the previous meeting at Priory Lane which also finished 2-2.

There's a lesson from those two fixtures there and that is make sure you stay until the end of today's game, as who knows what will happen!

SCORE DRAW AGAIN BETWEEN ROBINS AND WANDERERS

It might be worth keeping an eye on fixtures between Hassocks and Langney Wanderers in the future if the first two meetings are anything to go by.

Back in September, these two played out a 2-2 draw that had just about everything in their first ever clash at senior level at Priory Lane.

And while the reverse fixture at the Beacon couldn't quite match the drama that came with Jordan Badger's last minute equaliser six months ago, both the scoreline and the entertainment levels were exactly the same.

Both the Robins and Wanderers are finishing the campaign strongly. Hassocks passed the 40 point mark with their third victory in four games away at Crawley Down Gatwick last weekend whilst the visitors had won their past three games in a row before arriving in Mid Sussex.

Mark Dagleish made just one change from the previous weekend's success at the Haven, former Woking forward George Brown being handed his first start for the Robins in place of the absent Jake Lindsey.

Any latecomers in the Beacon's second highest attendance of the season so far would've regretted their tardiness as within five minutes, both sides were already on the score sheet.

It was Langney who got the party started with just three minutes on the clock, Tyreece Daley opening the scoring for the visitors after some slack Hassocks defending.

Wanderers' lead was short lived however thanks to Dan Stokes. Stokes has been in excellent form of late in the midfield engine room with the only thing really missing from his game being goals.

He chose an opportune time to set the record straight in that regard, scoring for the fourth time this season and the first time since September with a neat finish to level things up.

Both sides went hammer and tongs at each other after that with Stokes and Harvey Enticknap creating countless opportunities for Hassocks but it was telling that Langney goalkeeper Dan Hutchins ended the game as the visitors man-of-the-match.

The Wanderers' custodian constantly thwarted Hassocks' front three of Brown, Liam Benson and Phil Johnson as an entertaining encounter ebbed and flowed.

At the other end, Will Broomfield and Jordan Badger in particular stood strong against a Langley front line containing the considerable talents of former Eastbourne Town pair Evan Archibald and Tyler Capon.

Hassocks found a way past Hutchins just past the hour mark and it will come as no surprise that it was

Johnson who put the hosts ahead.

The Robins' talismanic forward has hit a real purple patch at the moment and his 63rd minute strike was his seventh in his past three games since returning from injury and his 27th of the season.

Johnson has now eclipsed his previous best season's total for Hassocks of 26 and with five games still remaining, he could yet become only the third player to break the 30 goals in a campaign mark for the club this century after Phil Gault and Pat Harding.

Landmarks aside, it looked like Johnson's strike would also prove to be the winner right up until the 83rd minute when Capon netted the goal of the game with a superb finish that left Josh Green with no chance.

In keeping with the rest of a thrilling clash, both sides had chances to win it late on but come the full time whistle, the draw was probably a fair result and one which certainly drew the approval of the bumper crowd.

The Maurice Boxall Stand - built with the proceeds of Hassocks' 2001-02 FA Cup run

Hassocks in the FA Cup

The 2019-20 season is Hassocks' 22nd crack at the FA Cup. In that time, it's paid for a stand, packed over 300 people into the Beacon and seen the Robins come within two games of the first round proper...

Rattling the Rooks

Hassocks' best run in the FA Cup came in the 2001-02 season when Dave John's side made it to within two games of the first round proper.

Lewes were the team who ended that most unlikely of dreams, triumphing 3-0 in the third qualifying round.

Ashford Town were seen off 3-2 in the Preliminary Qualifying Round to set up a date with Ash United in the First Qualifying Round.

Nothing could separate the sides in the first game at the Beacon and so it was off to the Shawfield Stadium for a Tuesday night replay.

Three goals in six second half minutes were enough to win the tie for Hassocks and end Ash's unbeaten start to the season as well.

Marc Rendall notched the first in the 70th minute, bringing a Mickey

Turner cross under control and slamming the ball into the bottom corner.

"Not many people gave Hassocks a hope going into that one, but the Robins pulled off one of the shocks of the round by comfortably beating a side from two divisions above 2-0 at the Beacon."

Home defender Stuart Woodhouse put through his own net with a volley from a quickly-taken Luke Flomo free kick five minutes later.

And the Robins blitz was completed when Flomo teed up James Laing who beat two defenders to fire home.

The result and performance

earned Hassocks the applause of the Ash support and set the Robins up for a tie against Bromley from two divisions higher.

Not many people gave Hassocks a hope going into that one, but the Robins pulled off one of the shocks of the round by comfortably winning 2-0 at the Beacon.

That set up a mouth-watering all-Sussex tie at the Dripping Pan where Jimmy Quinn's Rooks proved to be too good for Hassocks.

Lewes would go onto make it all the way into the main draw, facing Stoke City at the Bet365 Stadium in the first round.

The Robins meanwhile were able to build the Maurice Boxall Stand with the money generated from their cup run, which still stands on the south side of the Beacon today.

Nothing dull about Dulwich

Fast forward four seasons to the 2005-06 campaign and Hassocks nearly equalled that famous run, going out at the second qualifying round stage against Isthmian Premier side Dulwich Hamlet.

Being the only Southern Combination League side left in the competition by that point, there was a bumper crowd at the Beacon of over 300 who witnessed Hamlet squeak through 1-0.

It took four games to get that far in the competition, victories over Erith Town and Chessington & Hook sandwiching two meetings with Hillingdon Borough following a draw at Hillingdon.

Pat Harding had a particularly good time of it, scoring four times in that cup run and he is one of only two former Robins to appear in the competition proper.

That was when he was a regular at Eastbourne Borough; the other player being Eddie French, who was part of Horsham's famous run that included taking Swansea City to a replay in the mid 2000's.

Facing the big guns

The biggest side the Robins have faced in the FA Cup was Havant & Waterlooville in the First Qualifying Round in the 1998-99 season.

That game saw a highly credible 1-0 defeat away at Westleigh Park, one of six exits at that stage of the competition for Hassocks.

We've faced Bromley - who can currently be found in the Conference National - on two other occasions aside from that 2001-02 run.

Both of those came in the 1999-00 season, when the Ravens required a replay to knock the Robins out, eventually winning 2-1 at Hayes Road after a 1-1 draw at the Beacon.

That tie was set up by one of our most notable scalps in the competition, a 1-0 win away at Horsham,

French scored the only goal of the game at Queens Road, heading home a Dickie Fernley corner in the 29th minute.

The Hornets were unable to find a way past the inspired Paul John in the Hassocks goal after that and their heads dropped as a result for the final 20 minutes in which Hassocks could've made the game safe.

A crowd of over 300 pack out the Beacon for the visit of Dulwich Hamlet in 2005

Nathan Cooper can't believe it as Phil Gault's 90th minute penalty miss sends Hassocks out against Chipstead in 2013

Anthony Hibbert nets for the Robins against Epsom and Ewell in 2014

Laing was denied twice by Horsham' debutant goalkeeper Phil Lewis and Lewis also saved well from a powerful Adam Waller drive.

The shock result saw Hornets boss Russell Mason quit as manager in the immediate aftermath.

Hassocks' heaviest FA Cup defeat came in the First Qualifying Round in 2010-11, a 5-0 away defeat at an impressive Sholing side, a game that was overshadowed by Chris Maynard suffering a terrible double leg break that would rule him out for the best part of a year.

That season was also responsible for the Robins' biggest ever FA Cup win when Eastbourne United were hammered 7-1 at the Beacon in the Extra Preliminary Round of the competition.

Maynard scored twice that day along with a Neil Kane brace and further goals from Anthony Hibbert, Daley Clark and Dan Smith.

Aside from the big loss at Sholing, there have been a couple of other heavy defeats in the First Qualifying Round, with Tonbridge Angels and Sittingbourne both winning 3-0.

The most recent time Hassocks made it as far as the First Qualifying Round was in the 2013-14 season under the management of Mickey Jewell.

That run included a rare victory at Gorings Mead against fellow Southern Combination League side Horsham YMCA – only Hassocks' third win there since the turn of the century - and a 1-0 replay victory over Dorking Wanderers after a 0-0 draw at

Westhumble Playing Fields.

Isthmian South side Chipstead provided the opponents in the fourth game in the competition, winning 2-1 at the Beacon.

The Robins were good value for a draw that today however and would've had a replay three days later were it not for a last minute penalty miss from Phil Gault.

Gault did suitably punish himself afterwards, spending the evening drowning his sorrows in notorious Burgess Hill nightspot Jacobs Post.

“Gault did suitably punish himself for missing that crucial penalty against Chipstead, spending the evening drowning his sorrows in notorious Burgess Hill nightspot Jacobs Post.”

Learning the ropes

It took Hassocks a few seasons to learn the ropes of national cup competitions - that aforementioned Horsham win was the clubs first in the competition, coming at the fourth season of asking.

Hassocks' first ever FA Cup game came in the Preliminary Round in the 1996/97 season, a 3-1 home defeat against Egham Town.

The following season saw a 2-1 defeat against Barton Rovers while there have been four other exits at the second stage; to Molesey 3-0, Merstham 3-1, Walton & Hersham 3-0

and most disappointingly, a heavy 4-0 loss at Mill Road against fellow Southern Combination League club Arundel in 2003-04.

Over and out as early as possible

The Extra Preliminary Round was added to the competition in the 2005-06 season and Hassocks have exited at that earliest point of the competition in seven of the past nine seasons that they've entered the competition.

The first of those came in 2008-09, a disappointing 1-0 defeat to Shoreham played at Culver Road due to the summer pitch works at the Beacon not being completed in time to host the tie.

Kane was still a Shoreham player at that point and he got the only goal of the game for the Musselmen.

By the time Hassocks were knocked out of the following seasons competition, Kane was in a Hassocks shirt as part of Dave John's side which crashed out 4-1 at home to Ash United.

Back-to-back Extra Preliminary Round exits came in 2011-12 away at Raynes Park Vale and a shock reversal at home to Sidley United in 2012-13.

Hassocks' three most recent voyages into the FA Cup also came to an end at the Extra Preliminary Round when they were well beaten 3-1 by Epsom and Ewell in 2014, lost 3-2 to Hollands and Blair two seasons ago and crashed out with a 3-1 home defeat to Erith Town at the Beacon last year.

Robins win Programme of the Year Award

Hassocks' matchday programme has been named the best in the Macron Store Hastings Southern Combination League in the 2018-19 season.

The Robins scored 255 points in the annual independent survey which looks at the offerings of all 53 of the league's clubs across all three divisions.

That tally was enough for Hassocks to top both the Premier Division list and the league's overall standings.

Hassocks finished 26 points clear of second placed Lancing with the Culver Road club accumulating 229 points.

Division One side Southwick were third on 207, Bosham of Division Two came fourth with 206 and Newhaven rounded off the top five with 196.

This is the first time that the Robins have won the award this decade.

The club has consistently finished in the top five having been runners

up in 2016-17 and 2013-14 and third last season.

Each programme is assessed against a set of criteria which is reviewed on an annual basis in the light of changing trends and editorship innovation.

At least two programmes per club are looked at to try to obtain a representative sample.

Richard Wilson who worked on the survey said, "We applaud all editors for the work they do, often with tight or no budget, to produce a programme for each match. Long may this continue."

For 2018-19, the Robins' matchday programme was produced in full colour for the first time and regularly featured 36 pages, all for the cost of just £1.

It was also available for supporters to download for free as a PDF after each home game.

The award is recognition for the hard work put in by editors Owen John and Scott McCarthy over the course of the season and the past seven years that they've been taking on the role.

TROAK AND JOHNSON GET HASSOCKS UP AND RUNNING

**Southern Combination League Premier Division
Tuesday 6th August 2019, The New Defence
Hassocks 2-1 East Preston**

The record books will show that Hassocks' first win of the 2019-20 campaign was delivered by a slender one-goal margin, but their performance at the Beacon deserved more.

A much-changed East Preston side were the visitors to Mid Sussex and even those with the most white-and-black tinted spectacles would be hard pressed to disagree that on another day, Hassocks could have run up a cricket score.

2-1 was how it ended, the Robins coming from behind to win thanks a goal on his home debut from young Jack Troak and a winner 15 minutes from time from Phil Johnson.

But in reality, it could and should have been much more.

Hassocks hit the bar three times; they missed three further chances with the goal gaping; had two shots blocked on the line and Stuart MacDonald in the EP goal clawed two more out at full stretch.

It was an entertaining 90 minutes that ebbed and flowed, a far cry from the Robins' turgid season opener when they failed to muster a shot of any description in a 2-0 defeat at Horley Town.

Mark Dalglish made two changes from that weekend trip to the New Defence as Lewis Westlake replaced Alex Spinks and James Littlejohn came in for Dan Stokes.

Littlejohn in particular was a lively presence throughout and he set the tone for his enterprising evening by having the first opportunity with just five minutes played.

Westlake released Jack Rowe-Hurst down the right and his low cutback found Troak in the box.

Much of the ground were expecting the former Lewes midfielder to shoot but instead he produced a clever layoff to Littlejohn who curled just wide.

Eight minutes later and Littlejohn was free at the back post but a brilliant last gasp block from EP left back Jack Bingham deflected his shot over the bar.

Bingham repeated his heroics from the resulting corner, hacking clear from on the line after Johnson had diverted Westlake's delivery.

EP mustered their first shot on target with a quarter of an hour played, Howard Neighbour's deflected shot requiring a brilliant reaction save by Josh Green to his left at the expense of the corner.

From the resulting delivery, Hassocks failed to clear their lines which left Dave Crouch with the simple task of firing home from a matter of inches.

The bar intervened on EP's behalf for the first time with 20 minutes played when Johnson rattled it from Littlejohn's pullback.

On the half hour mark, those roles were reversed and it was Johnson who was crossing for Littlejohn who couldn't quite connect with the low ball in. Littlejohn then looped a header from a Troak cross onto the roof of the net.

Troak, playing with his socks rolled down his legs like a modern-day Steve Claridge, was making quite the impression on his Beacon bow and it was he who levelled things up two minutes before the break.

Westlake whipped over a corner from the left, the bearded face of Will Broomfield was involved in there somewhere with the ball eventually falling to Troak who bundled home.

Littlejohn was back in the thick of the action at the start of second half, drawing a good save from MacDonald with Matt Berridge following suit.

EP had two forays forward after that, Crouch firing over from the edge of the box and Green again getting down well to divert Josh Irish's effort around the post.

Westlake's free kick from a full 35 yards was next to hit the bar as the

ball bounced and evaded everyone before cannoning against the woodwork.

The bar was still rattling two minutes later when Harvey Blake came rampaging forward from right back two minutes later, sidestepped past two EP defenders and then smashed his shot against it with MacDonald nothing more than a startled onlooker.

At that point, the home faithful could have been forgiven for thinking it was going to be one of those nights until Johnson struck.

The goal owed much to Troak who breezed past Harry Williams and laid a clever ball back into the path of Johnson.

The Hassocks captain still had plenty to do but do it he did, two touches working some room from where he was able to beat MacDonald with aplomb.

Johnson was on the end of some rough treatment after that and eventually hobbled off for Harry Mills with two minutes remaining, after which EP nearly snatched a point.

Green got in a bit of a mess from a backpass, stumbling over the ball which looked like it had presented Chris Darwin with an open goal only for Mills to react quickest to hack the danger into the garden centre.

There was one final chance for the visitors, a controversial free kick decision in the final seconds going their way after Shaun Brazil had appeared to kick Green as he lay prone on the ground but Neighbour's effort was more danger to passing trains than the Hassocks goal.

Hassocks: Green; Blake, Broomfield, Kublickas, Whittingham; Westlake, Berridge; Troak, Rowe-Hurst, Littlejohn; Johnson.

ON THIS DAY

Mickey Jewell took charge of Hassocks for the first time on this day in **2010** as his new look squad welcomed Selsey to the Beacon for their first game of the 2010-11 Sussex County League Division One season...

NEW LOOK ROBINS GET THE JEWELL ERA UP AND RUNNING

Mickey Jewell began life in the Hassocks hotseat with a win as his new-look side overcame an early setback to defeat Selsey 2-1.

The Blues arrived at a wet and windy Beacon determined to spoil the party, taking the lead with less than 60 seconds played through Stuart Souter.

Despite that early setback, Hassocks stuck to their game plan, kept playing their football and were rewarded with goals from Chris Maynard - one of six debutants - and Sam Jeremiah.

Jewell has rung the changes over the summer alongside assistant manager Mark Dalglish, himself a new arrival having left his post as Steyning Town boss to move to the Beacon.

Alongside ex-St Francis Rangers man Maynard, the new faces were goalkeeper Mike Abbott, right back Rob South, left back Andy Whittingham, midfielder Lee Waterhouse and striker Dan Smith.

Being beaten within a minute by Souter's effort from 40 yards probably wasn't the start that Abbott envisioned to his Hassocks career.

But the former Steyning number one was solid in the little that he had to do after that, displaying excellent handling given the greasy conditions.

Jewell tasked Smith with leading the line by himself and the young striker from Peacehaven & Telscombe underlined his raw talent with a

performance that frequently threatened the Selsey backline.

South has come in from university football and Whittingham has followed Dalglish and Abbott from the Shooting Field.

Both looked to get forward at every opportunity, operating almost as wingbacks at times despite Jewell fielding a 4-5-1 formation.

It was winger Waterhouse who really caught the eye though with an energetic display which featured some impressive runs, touches and a fine work rate.

Following Souter's strike, the Robins knocked the ball about well on a lush surface.

Smith had Hassocks' first chances when he put a header over and he had a penalty appeal turned down after being tripped in the box.

Next came a blocked shot from the striker who was then on the end of some rough treatment from Selsey's Marc Hinshelwood whose crude challenge earned a booking.

Hassocks' equaliser arrived on 25 minutes and it was the result of another of those cavaliering runs forward from South.

His cross in looked like it was heading into the hands of Ryan Chard until the visiting goalkeeper completely missed it, leaving Maynard to open up his body at the back post and volley home.

Buoyed by that, Hassocks pushed on further and had a number of chances to take the lead before half time rolled around.

Spencer Slaughter missed the best of those, somehow spurning a gilt edged opportunity from six yards.

Graham Morey hacked one off the line and the industrious Phil Gault and Anthony Hibbert both shot wide.

The second half followed much the same pattern.

Smith, Hibbert twice and Gault all had efforts saved by Chard who also spectacularly denied Gault's far post header from a Hibbert corner.

Jewell turned to his bench on the hour mark as Laurence Robinson and Jeremiah replaced Smith and Slaughter and it took Jeremiah just six minutes to get on the scoresheet, glancing in a superb header from another Hibbert corner to put Hassocks ahead.

Chard did well to smother a Jeremiah shot before Selsey started to threaten as the hosts tired and lost a little shape entering the final 10 minutes although Ashley Marsh and Kieran O'Callaghan dominated at the heart of the Hassocks defence.

Waterhouse nearly capped a fine debut with a goal but his shot after a mazy run was parried away by Chard as Hassocks secured the three points to give Jewell the perfect start.

Hassocks: Abbott; South, O'Callaghan, Marsh, Whittingham; Waterhouse, Hibbert, Gault, Slaughter, Maynard; Smith.

Subs: Jeremiah (Slaughter 60), Robinson (Smith 60), Clark (Maynard 72), Lear, Parsons (unused).

Horsham YMCA last season?

Horsham YMCA had an excellent campaign last time out as they finished as runners up to champions Chichester City, securing their highest league finish since the 2008-09 season when they were third in the table. Unfortunately, second wasn't enough to secure promotion to the Isthmian League for YM but Peter Buckland has kept the majority of his squad together and they'll be well fancied to go one better and win the title this time around.

Hassocks' record against Horsham YMCA?

If YM's current position as one of the favourites to win the league doesn't point to a tough game for the Robins, then their record against YMCA should. Hassocks have won just 11 times in 47 meetings with YM, losing 26. Their record at Gorings Mead makes for particularly grim reading with just two league victories there since 2000.

Last time Hassocks played Horsham YMCA?

For an hour, the Robins had hope of a rare victory in Shoreham after Jake Lindsey's early goal gave them a shock lead against YM back in April. Normality was restored however when Jack Hartley and Alex Barbary secured the three points for the hosts.

How to get to Gorings Mead?

The ground is situated on the outskirts of the town centre. Take the A272 to Cowfold before joining the A281 towards Horsham. Once in the town, Gorings Mead is located on the left before the railway bridge as directed by the "YMCA" sign. There is extremely limited parking at the ground and when that is full there is no parking in the street leading to the ground. Visitors are advised to park in one of the many car parks that are a five-minute walk away.

In a nutshell, it was a typical Pagham season. The Lions began in a blaze of glory and right up until the end of November it looked like the title would be a two-horse race between them and eventual champions Chi. But their form dived off a cliff in November, not helped by a number of big-name departures and in the end they struggled to an 11th placed finish on 45 points. To put that into context, they accumulated 31 of those in the first 15 games of the campaign.

Hassocks' record against Pagham?

By and large, the recent history of Hassocks v Pagham hasn't been kind to the Robins. Before the two sides met in March, you had to go back to the 2013-14 season to find the last time Hassocks won, picking up a solitary point out of a possible 30. Overall, the head-to-head reads Pagham 25 victories, Hassocks' 17 and nine draws.

Last time Hassocks played Pagham?

That was the aforementioned rare win, and it was a big one too. Phil Johnson set the Robins on their way with a brace inside of the opening 15 minutes with further goals from Liam Benson and Will Broomfield rounding off a 4-0 success for the hosts at the Beacon.

How to get to Nyetimber Lane?

Journey west on the A27 to Chichester. Once on the bypass, take the second exit at the second roundabout onto Vinnetrow Road. At the next roundabout it's a left onto the B2166 Lagness Road which eventually turns into Pagham Road. After passing on a Tesco on your left, Nyetimber Lane is the next round on the left with the ground pretty much immediately on the right.

Played for both?

Jack Rowe-Hurst had a brief spell at Nyetimber Lane in the middle of last season, one of four clubs including Hassocks who he played for in 2018-19.

It was a bit of a mixed bag last time out for the Lancers. They began the season impressively under Ash Bailey, embarking on an impressive run to the second qualifying round of the FA Cup, knocking Haywards Heath Town out along the way. Bailey stepped down soon after however and a number of his new signings subsequently left the club. They might have completely destabilised some teams but new boss Mark Pulling did well to steady the ship, leading Lancing to a 13th place finish, one point worse off than Hassocks. Pulling has since departed Culver Road with former Robins youth team player Naim Rouane now at the helm.

Hassocks' record against Lancing?

We've met the Lancers 27 times, winning 11, drawing seven and losing nine. As last season's table shows, both sides tend to suffer similar fortunes – when Hassocks have been towards the top of the table, so have Lancing – and that explains why

there have been more draws in our Premier Division meetings than any other result.

Last time Hassocks played Lancing?

The Robins went to Culver Road on Easter Monday for the penultimate game of last season, where Dan Stokes' 95th minute effort completed a Hassocks comeback from 2-0 down to draw 2-2. Matt Daniel and Daniel Momah had put the hosts into a promising position inside of 50 minutes with Will Broomfield the other Robins scorer.

Any familiar faces?

Plenty of players have represented both clubs down the years. Currently, Alex Bygraves and Jack Baden are former Robins in Rouane's squad while Bradley Tighe, Jack Rowe-Hurst and Lewis Westlake all enjoyed brief spells with Lancing. Josh Green will also be fondly remembered by the visitors as the number one from their Peter Bentley League Cup winners of 2016.

Around the League

After Tuesday night's Premier Division action, six teams in the Macron Store Hastings Southern Combination Premier Division still have 100% records as the league takes a week off for today's FA Cup action...

Leading the way at the top of the table are Lingfield who dished out a dose of reality to Eastbourne United who had been some people's tips as dark horses for this season's title.

The Lingers had six different scorers on target in their 6-0 win with David Connolly, Ben Heaton, Stephen Hodge, Jack Horn, Rhys White and Connor Wilford all hitting the back of the net.

United's cause wasn't helped by Sean Roddy's 35th minute sending off while their chairman Billy Wood offered to reimburse their traveling support for their admission to the Sports Pavilion.

No such gestures were needed by the United's cross-town rivals **Eastbourne Town**, who dispatched of **AFC Uckfield Town** 2-0 at the Saffrons.

Dan Perry scored both the goals while Uckfield played their part in boosting their coffers at the Sussex FA with two red cards shown to Bailo Camara and Mayckol Sabino.

Alford's fine start to their first ever Premier Division season continued as they beat last year's runners up **Horsham YMCA** 5-3 at Alford Rec.

Kelvin Lucas hit a hat-trick for the hosts with Sam Lemon notching a brace from the bench.

The YM scorers were Matt Daniel, Luke Gedling and Martin Smith on what was a disappointing evening for Peter Buckland's side who have lost two from two so far.

Crawley Down Gatwick had an 86th minute goal from Oliver Leslie to thank for delivering them three points with a close-fought 3-2 win

over recently promoted **Steypning Town**.

Down stormed into a 2-0 lead inside the first 20 minutes through a Michael Wood brace but the Barrowmen showed the sort of battling qualities that will serve them well in the top flight to come back through two goals from Grant Redmore before Leslie broke home hearts late on.

It was the same scoreline at Culver Road where **Lancing** made it six points out of six under new manager Naim Rouane thanks to a 3-2 win over **Horley Town**.

"It was an historic occasion for Broadbridge Heath as they finally played their eagerly anticipated first home game at their new High Wood Hill Sports Ground in front of a bumper crowd of 337"

Lewis Finney showed that he is already loving life back with the Lancers following his summer return to the club by hitting a hat-trick with Horley's goals coming from Ryan Smith and substitute Kerran Boylan.

Langney Wanderers took a point from their visit to **Newhaven** after completing an astonishing comeback at the Trafalgar Ground.

The hosts looked home and dry as Lee Robinson's double and an Ebou Jallow strike had them leading 3-0 with just 22 minutes remaining.

But Kenny McCreadie's side weren't done and they managed to rescue a point through Max Hollobone and substitutes Tyler

Capon and Peter Cooper.

A 91st minute winner from Curtis Ford gave **Peacehaven & Telscombe** their first three points of the campaign as they won 2-1 away at **Little Common**.

Jacke Brocklebank had given the Tye the lead with 26 minutes played but the sides went into half time level after Jamie Crone equalised for the hosts three minutes before the break.

Bob Paine is still looking for his first win as **Pagham** boss after he saw his Lions side well beaten 3-0 by **Saltdean United** at Nyetimber Lane.

All of the Tigers' goals came in the opening 30 minutes as Jamie Craddock, Alex Laing and Jack Langford did the damage early on to give Tom Betts' side three points.

The division's final game saw an historic occasion for **Broadbridge Heath** as they finally played their eagerly anticipated first home game at their new High Wood Hill Sports Ground.

A bumper crowd of 337 turned out for the visit of **Loxwood** and they were treated to a real ding-dong clash which finished 2-2.

Loxwood's Tom Franklin spoiled the party somewhat as he wrote himself into the history books as the first goal scorer at the new facility with Martyn Flack becoming the first Bear to net there with his 53rd minute equaliser.

Frankling put the Magpies back into the lead just past the hour mark and it looked like it would stay that way until George Cousins struck with four minutes remaining to ensure that Heath didn't lose on their big day.

Stuart Faith

Stuart Faith's player profile once read, "Faithy wasn't born, he was sculpted from a lump of mud taken from the Railway End of the Beacon."

That tells you everything you need to know about this Hassocks stalwart. A one-club man, he was part of the Under 18 side who won the Sussex Youth Cup in 2002 and went onto make 289 appearances for the first team, scoring 22 times along the way.

It's hard to know what Faithy's best assets were. He would run through a brick wall if you asked him and he was a natural leader who captained the Robins to their highest ever Premier Division finish of fourth in 2011-12.

He was versatile, being comfortable in both defence and midfield and he could also drink an insane amount of Strongbow which was a real boost to bar takings.
