Welcome to the Beacon

Good evening and welcome to the Beacon for tonight's FA Cup Preliminary Qualifying Round replay between Hassocks and Chipstead....

We're being a bit blessed with games in the national cup competitions this season with today being our third FA Cup fixture of the season.

The winners will go onto face Westfield in the next round with extra time and penalties being used if the scores remain level after 90 minutes.

Tonight's visitors

We'd like to start by welcoming our visitors from Chipstead to the Beacon this evening and we hope they enjoy their stay with us this evening.

As we saw in the first game between the two sides, Chipstead are extremely capable opponents and it was largely down to a string of excellent saves from Josh in goal that we've got this second bite at the cherry tonight.

An extremely tough test lies in store and we all know that Hassocks will need to be somewhere near their best if they are to win this evening.

Annual General Meeting

We'll be holding this year's AGM on Monday 16th September in the Clubhouse at the Beacon with a 7pm start.

All members and supporters are

invited to attend. It's your opportunity to find out what is going on both on the pitch and off it over the course of the next year.

We'll keep reminding you in the run up to the evening, but please do put it in your diaries.

First team advance in Vase

The first team had an excellent 2-0 win away at Meridian Valley Park two days ago.

On a difficult service and in testing conditions, we were more than good value for the result which was delivered by goals from Jamie Hillwood and Jack Troak - and as today's front cover shows, Jack was clearly delighted with his strike!

That sets up a second qualifying round tie against Horley Town in 11 days time here at the Beacon with kick off at 3pm.

The games are coming tick and fast with that fixture giving us three home games in a row.

Depending on when the Peter Bentley League Cup tie with Langney Wanderers that had been due to be played tonight is rearranged for, that could actually leave us with four home matches in succession.

We've got the added complication of Owen not being here for some of those - more details about that are contained within - so if anybody can give up some time to help take on some of his jobs behind the scenes for those, please do let us know.

Coming up this week

It's a busy week of football after tonight as the Under 23s, Under 18s and Ladies sides are all in action.

The Under 23s host Pagham on Thursday night buoyed by last week's 2-1 win away at Broadbridge Heath. Jake Atherton and Joe Bull got the goals there.

The Under 18s play their first league game of the campaign away at St Francis Rangers in what should be an excellent local derby given that Rangers kicked off their season with a 4-1 hammering of reigning champions Haywards Heath Town.

And there's football here on Sunday afternoon as the Ladies host Lewes. Kick off in that one is at 2pm and entrance is free.

Enjoy the game,

Owen and Scott

Chipstead are embarking on their 13th consecutive season of Isthmian League football, an excellent record for a club who have climbed the pyramid with a policy based on promoting youth...

A read through the Chips' player profiles for this evening provides an eye opening look at what a club can do if they have a thriving youth section and links with the community.

The majority of our visitors' squad have come through the ranks at High Road, meaning that they are a club not too dissimilar to us in the way that they try and nurture their own talent.

That's turned them into a staple of the Isthmian League with a 10th placed finish being the highest that they've recorded since winning the Combined Counties League title and with it, promotion in 2007.

Chipstead have a history of appointing former players as their managers, encouraging them to continue the cycle of promoting from within.

The current incumbent is Rob Kember who took charge towards the end of last season following the departure of another ex-player in Anthony Williams.

Kember is a familiar name to Sussex non-league followers having previously played for Lewes and

Eastbourne Borough and his squad is in fact littered with players who have links to the county.

Curtis Ford has been a thorn in Hassocks' side many times in the past during his days with Peacehaven & Telscombe while Allan Tait has been a regular scorer across Sussex with Borough, East Grinstead Town and Crawley Town.

There will of course be a little familiarity between the two sides as well, this being the second time that we've met in the space of 10 days following the 0-0 draw at High Road which caused this replay.

The Chips will have good memories of last time they were here at the Beacon some six years ago.

Hassocks gave them a real fright, but the visitors managed to escape with a 2-1 win and safe passage to the second qualifying round after Phil Gault's missed penalty with the last kick of the game denied the Robins a replay.

If tonight has half as much entertainment as that game packed into 90 minutes, then we should be in for a treat.

Made in Chipstead

Chipstead have always had a thriving youth section with over 200 players between the ages of six and 18 involved with the club every week.

Two of those have gone onto carve out professional careers at the highest level after playing junior football for the Chips.

Midfielder **Steve Sidwell** should need no introduction to Sussex footballing fans given that he enjoyed two successful spells with Brighton and Hove Albion at the start and then end of his career.

Sidwell started out at Arsenal, from where he joined Brighton for the first time on-loan as a 19-year-old during the 2002-03 season.

Such was his form that Reading were soon completing a permanent deal to take him to the Madjeski Stadium which is where he really made a name for himself, helping the Royals to promotion to the Premier League for the first time in their history.

Sidwell subsequently played for Chelsea, Aston Villa, Fulham and Stoke City before returning to the Albion with whom he finished his career last summer. He is now a coaching in the academy at the Amex Stadium.

Leon McKenzie was picked up by the Chips' nearest professional club Crystal Palace and went onto play 85 times in the top two divisions for the Eagles.

Spells with Fulham, Peterborough United, Norwich City, Coventry City, Charlton Athletic and Northampton Town followed before he dropped into

non-league with Kettering Town and then Corby Town.

Following the end of his football career, McKenzie went onto become a professional boxer, winning an international masters belt and fighting for the English Super Middleweight title in 2016.

Oliver Pain - Goalkeeper

A proficient shot stopper with a commanding presence behind the Chipstead back four. He has appeared for Motherwell in the SPL as well as playing for Crystal Palace and Sunderland. Promising keeper in the Chips Under 18 set-up. He was on the bench for the first tie 10 days ago.

Aaron Miller - Defender

An attacking fullback & promising prospect from the Volenti academy,

Chris Boulter - Defender

Experienced centre half, who joined from Dorking Wanderers in the close season and who is already making an impression.

Croydon Athletic

Dan Moody - Midfielder

Versatile midfielder who is equally adept at playing on either side of the park or even dropping back into defence. His tireless efforts saw him claim all last season's player of the year awards. He opened his account for the season with the clincher against Bracknell

Callum Hart - Midfielder

Left sided player signed from Peacehaven & Telscombe in the close season. He has already shown in pre season his dangerous left foot whether crossing or going for goal. Notched his first for the club against Bracknell.

Callum Hope - Midfielder

Last season's Under 18 captain, he is already well established in the first team with his highlight so far being a left foot volleyed winner at Uxbridge in March

Danyaal Iqbal - Midfielder

Another promising prospect from the Chips' Under 18's, he is an attacking central player who was on the bench in the last meeting.

Sam Bell - Forward

Proven goal scorer at this level, whether as centre-forward or pushed wider on the right. He will be expecting to be in contention for the golden boot again this season and has previously played for Lingfield Town, Stafford Rangers, Sutton Coldfield & Brocton

Jacob Sewell - Forward

Striker who had an outstanding goal return for Carshalton Athletic Under 18s last season. He also featured for the Chips' first team & opened his senior account with the club.

ROBINS' CUP RUN ENDS IN HEART-BREAKING FASHION

Much has been made of the downturn in the status of the FA Cup in recent years, but nobody who was at the Beacon for Hassocks' heartbreaking 2-1 first qualifying round defeat to Chipstead could doubt that there is still a magical element to the oldest cup competition in the world.

Three goals, a red card and a last minute penalty miss meant the 100+ in attendance were certainly given their moneys worth - even if for Robins fans it was a case of wondering what might have been.

They haven't beaten a side from a higher division in this competition since Newport Isle of Wight were dispatched at the same stage back in 2006.

And in truth, they probably should have been looking forward to at least a replay against their below par Ryman League South opponents.

That penalty miss from Phil Gault was a particularly cruel moment for Mickey Jewell's side to take, but they had enough chances in the first half for it to have not come down to the final kick of the game.

The lively Nathan Miles missed a one-on-one just minutes in, Jamie Hillwood went close on a couple of occasions and Nathan Cooper also troubled visiting goalkeeper Anthony Hall as Hassocks were the better side in the opening exchanges.

It was Chipstead however who took the lead when Scott Simpson was allowed to carry the ball from just inside the Hassocks half, breezing through three home players before toe poking past Jack Simpson for a fine solo effort.

Hillwood grabbed an equaliser 10 minutes later with a superb flowing move from front to back.

Kieran O'Callaghan won back possession for the Robins with the ball eventually finding its way to the left flank via Gault.

Hillwood still had plenty to do from out wide as he galloped onto the ball before finishing with aplomb for his fourth of an increasingly impressive campaign after stepping up from the reserves.

The winner came in the second half from the penalty spot after an Ashley Marsh handball, Dan Moody stroking home before the game really fired into live in a memorable final five minutes.

Substitute Mark Price had been on the pitch less than 10 minutes when he tangled with a Chips midfielder before appearing to hit out at him.

That left referee Andrew Dines with little choice but to show Price his second red card in the space of a week following his dismissal at East Grinstead Town on Tuesday night.

If anything, that decision seemed to spur the Robins on as they threw everything they had at Chipstead in an attempt to find an equaliser.

Phil Johnson had arguably their best opportunity, seeing Hall wonderfully stop his volley from a Miles lay off.

Hassocks also threw Simpson forward for two corners in the final minutes and only a superb tip over from his opposite number prevented the goalkeeper netting the leveller himself with a looping header that seemed destined for the top corner.

It looked at that point like the game was well and truly up until Mr Dines handed Hassocks a lifeline with his decision to award them a penalty in the seventh minute of injury time.

Unfortunately for the Robins, Gault saw his spot kick well saved by Hall down to his right before the final whistle blew after the rebound couldn't be forced in.

That brought Hassocks' hopes of making the second qualifying round for what would have been just the third time in the clubs 111 year history to the most painful of ends.

Hassocks: J Simpson; South, Marsh, O'Callaghan, Davess; Hibbert, Ingham, Cooper, Hillwood; Miles, Gault.

Subs: Johnson (Ingham 55), Price (Hillwood 78), Common, Maynard, Jacques, Czech, Harris (unused).

Starman: Jamie Hillwood was a constant menace and netted a deserved goal.

Hassocks in the FA Cup

The 2019-20 season is Hassocks' 22nd crack at the FA Cup. In that time, it's paid for a stand, packed over 300 people into the Beacon and seen the Robins come within two games of the first round proper...

Rattling the Rooks

Hassocks' best run in the FA Cup came in the 2001-02 season when Dave John's side made it to within two games of the first round proper.

Lewes were the team who ended that most unlikely of dreams, triumphing 3-0 in the third qualifying round.

Ashford Town were seen off 3-2 in the Preliminary Qualifying Round to set up a date with Ash United in the First Qualifying Round.

Nothing could separate the sides in the first game at the Beacon and so it was off to the Shawfield Stadium for a Tuesday night replay.

Three goals in six second half minutes were enough to win the tie for Hassocks and end Ash's unbeaten start to the season as well.

Marc Rendall notched the first in the 70th minute, bringing a Mickey

Turner cross under control and slamming the ball into the bottom corner.

"Not many people gave Hassocks a hope going into that one, but the Robins pulled off one of the shocks of the round by comfortably beating a side from two divisions above 2-0 at the Beacon."

Home defender Stuart Woodhouse put through his own net with a volley from a quickly-taken Luke Flomo free kick five minutes later.

And the Robins blitz was completed when Flomo teed up James Laing who beat two defenders to fire home.

The result and performance

earned Hassocks the applause of the Ash support and set the Robins up for a tie against Bromley from two divisions higher.

Not many people gave Hassocks a hope going into that one, but the Robins pulled off one of the shocks of the round by comfortably winning 2-0 at the Beacon.

That set up a mouth-watering all-Sussex tie at the Dripping Pan where Jimmy Quinn's Rooks proved to be too good for Hassocks.

Lewes would go onto make it all the way into the main draw, facing Stoke City at the Bet365 Stadium in the first round.

The Robins meanwhile were able to build the Maurice Boxall Stand with the money generated from their cup run, which still stands on the south side of the Beacon today.

Nothing dull about Dulwich

Fast forward four seasons to the 2005-06 campaign and Hassocks nearly equalled that famous run, going out at the second qualifying round stage against Isthmian Premier side Dulwich Hamlet.

Being the only Southern Combination League side left in the competition by that point, there was a bumper crowd at the Beacon of over 300 who witnessed Hamlet squeak through 1-0.

It took four games to get that far in the competition, victories over Erith Town and Chessington & Hook sandwiching two meetings with Hillingdon Borough following a draw at Hillingdon.

Pat Harding had a particularly good time of it, scoring four times in that cup run and he is one of only two former Robins to appear in the competition proper.

That was when he was a regular at Eastbourne Borough; the other player being Eddie French, who was part of Horsham's famous run that included taking Swansea City to a replay in the mid 2000's.

Facing the big guns

The biggest side the Robins have faced in the FA Cup was Havant & Waterlooville in the First Qualifying Round in the 1998-99 season.

That game saw a highly credible 1-0 defeat away at Westleigh Park, one of six exits at that stage of the competition for Hassocks.

We've faced Bromley - who can currently be found in the Conference National - on two other occasions aside from that 2001-02 run.

Both of those came in the 1999-00 season, when the Ravens required a replay to knock the Robins out, eventually winning 2-1 at Hayes Road after a 1-1 draw at the Beacon.

That tie was set up by one of our most notable scalps in the competition, a 1-0 win away at Horsham,

French scored the only goal of the game at Queens Road, heading home a Dickie Fernley corner in the 29th minute.

The Hornets were unable to find a way past the inspired Paul John in the Hassocks goal after that and their heads dropped as a result for the final 20 minutes in which Hassocks could've made the game safe.

A crowd of over 300 pack out the Beacon for the visit of Dulwich Hamlet in 2005

Nathan Cooper can't believe it as Phil Gault's 90th minute penalty miss sends Hassocks out against Chipstead in 2013

Anthony Hibbert nets for the Robins against Epsom and Ewell in 2014

Laing was denied twice by Horsham' debutant goalkeeper Phil Lewis and Lewis also saved well from a powerful Adam Waller drive.

The shock result saw Hornets boss Russell Mason quit as manager in the immediate aftermath.

Hassocks' heaviest FA Cup defeat came in the First Qualifying Round in 2010-11, a 5-0 away defeat at an impressive Sholing side, a game that was overshadowed by Chris Maynard suffering a terrible double leg break that would rule him out for the best part of a year.

That season was also responsible for the Robins' biggest ever FA Cup win when Eastbourne United were hammered 7-1 at the Beacon in the Extra Preliminary Round of the competition.

Maynard scored twice that day along with a Neil Kane brace and further goals from Anthony Hibbert, Daley Clark and Dan Smith.

Aside from the big loss at Sholing, there have been a couple of other heavy defeats in the First Qualifying Round, with Tonbridge Angels and Sittingbourne both winning 3-0.

The most recent time Hassocks made it as far as the First Qualifying Round was in the 2013-14 season under the management of Mickey Jewell.

That run included a rare victory at Gorings Mead against fellow Southern Combination League side Horsham YMCA – only Hassocks' third win there since the turn of the century - and a 1-0 replay victory over Dorking Wanderers after a 0-0 draw at

Westhumble Playing Fields.

Tonight's opponents Chipstead provided the opponents in the fourth game in the competition, winning 2-1 at the Beacon.

The Robins were good value for a draw that today however and would've had a replay three days later were it not for a last minute penalty miss from Phil Gault.

Gault did suitably punish himself afterwards, spending the evening drowning his sorrows in notorious Burgess Hill nightspot Jacobs Post.

"Gault did suitably punish himself for missing that crucial penalty against Chipstead, spending the evening drowning his sorrows in notorious Burgess Hill nightspot Jacobs Post."

Learning the ropes

It took Hassocks a few seasons to learn the ropes of national cup competitions - that aforementioned Horsham win was the clubs first in the competition, coming at the fourth season of asking.

Hassocks' first ever FA Cup game came in the Preliminary Round in the 1996/97 season, a 3-1 home defeat against Egham Town.

The following season saw a 2-1 defeat against Barton Rovers while there have been four other exits at the second stage; to Molesey 3-0, Merstham 3-1, Walton & Hersham 3-0

and most disappointingly, a heavy 4-0 loss at Mill Road against fellow Southern Combination League club Arundel in 2003-04.

Over and out as early as possible

The Extra Preliminary Round was added to the competition in the 2005-06 season and Hassocks have exited at that earliest point of the competition in seven of the previous nine seasons that they've entered the competition.

The first of those came in 2008-09, a disappointing 1-0 defeat to Shoreham played at Culver Road due to the summer pitch works at the Beacon not being completed in time to host the tie.

Kane was still a Shoreham player at that point and he got the only goal of the game for the Musselmen.

By the time Hassocks were knocked out of the following seasons competition, Kane was in a Hassocks shirt as part of Dave John's side which crashed out 4-1 at home to Ash United.

Back-to-back Extra Preliminary Round exits came in 2011-12 away at Raynes Park Vale and a shock reversal at home to Sidley United in 2012-13.

Hassocks' three most recent voyages into the FA Cup also came to an end at the Extra Preliminary Round when they were well beaten 3-1 by Epsom and Ewell in 2014, lost 3-2 to Hollands and Blair two seasons ago and crashed out with a 3-1 home defeat to Erith Town at the Beacon last year.

Owen goes to Iceland

Owen's latest running challenge will see him running 200 miles across Iceland in 10 days. Here's how you can support him, both in terms of raising money for good causes and by helping out around the Beacon in his absence...

On my fitness and running journey, I've been lucky enough to meet and rub shoulders with some pretty impressive people - world champions, Guinness World Record Holders, and some pretty bad ass individuals who provide plenty of inspiration on a daily basis.

Danny Bent is one such individual. He was voted one of the 100 happiest people in the UK, and one of the 50 most inspirational people in London.

He is an award winning author and journalist, Guinness World Record holder, and celebrated adventurer and community leader.

Motivating people to be the best version of themselves is Danny's passion and trade.

Encouraging them to do more, give more and live more.

Living dreams, facing fears, and loving themselves, others and life with abandon are his tool kit.

He set up and founded One Run For Boston, a 3328.2 mile relay run across the US, that raised \$550,000 for those affected by the Boston Marathon bombings.

He is also the founder of Project Awesome in the UK providing free

fitness in Central London, and The London Relay (which I've run a leg of) where a 10k leg made up part of a relay which ran for 24 hours a day for a month.

It all started with an idea on Facebook, where Danny was looking for people to help him celebrate his birthday by joining him on a run across Iceland, and before I knew it I and a band of intrepid runners and adventurers had agreed and The Great Norse Run was born.

Not just a run, this has been described as a nomadic journey covering 200 miles in just 10 days, camping in the wilds of Iceland and fully experiencing all the beauty it has to offer.

In typical Danny fashion he also wants to leave a legacy, so we have joined with The Committed Project to raise funds to support the work they do.

Their aim is to help young people get the skills and experience they need for a meaningful and positive life.

We do this through adventures, mentoring and interventions lead by some really inspirational people.

I've never ran this far in such a short space of time, so this is going to be a huge test of both my physical and mental ability.

Any support you can give to both me and the charity would be amazing, especially as a group we are trying to raise in excess of £30K!!

You can sponsor me on the following link https://www.justgiving.com/fundraising/owen-john3?utm_id=124 or by finding me behind the bar.

Along with any financial support, I'm also asking for some help here at the Beacon whilst I'm away. I fly out on the 19th September and in the 11 days I'm away we have a couple of first team games here.

If anyone is able to help with any of the jobs on match day - behind the bar, tannoy, team sheet board etc please come and speak to me or Dave and we will happily discuss where you can help.

We're only a small group here, so any help you, or someone you know might be able to provide will be greatly appreciated.

Emirates FA Cup Preliminary Qualifying Round
Saturday 24th August 2019, High Road
Chipstead 0-0 Hassocks

The players of Hassocks weren't the most popular people in South London on Saturday.

On the pitch, they'd put in a dogged performance to hold Chipstead to a 0-0 FA Cup Preliminary Qualifying Round draw, ensuring that their Isthmian League South Central Division hosts now have to come to the Beacon for a replay in 10 days time.

Off it, the Robins decided to stop in a Coulsdon pub on the way home to celebrate the first time they'd managed to avoid defeat against a side from a higher level since 2006.

There was also the small matter of Liverpool v Arsenal on television.

What they hadn't considered was the reaction deep in Crystal Palace territory to 20 men walking into a bar wearing tracksuits emblazoned with the name of Brighton and Hove Albion fan site WeAreBrighton.com, one of Hassocks' sponsors.

Needless to say, the locals weren't happy - even after Palace's shock 2-1 win at Manchester United earlier in the day.

But not even the hostile reception and the abuse they copped in the pub could ruin this day for the Robins, who will now have genuine hopes of pulling off an upset at the second attempt.

If they can repeat their dogged defensive performance from High Road and get their goal getters Phil Johnson, Jack Rowe-Hurst and Jamie Hillwood fit for the replay, then they'll have every chance of doing so.

The most pleasing aspect of this draw was undoubtedly the clean sheet recorded by the outstanding Josh Green and his back four.

Shutouts have been a rare commodity for Hassocks over the past six years, so to secure one away from home against opponents from a division above was an excellent rear guard effort.

Mark Dalgleish made one change from the side who had gone down to a late 1-0 defeat at Pagham in midweek.

That saw the unavailable Lewis Westlake replaced in midfield by Harvey Enticknap, making his first start of the campaign.

In truth, this was a game of few chances. Most of the good stuff Hassocks did going forward though came through Enticknap, a reminder of the talents possessed by one of last season's breakout stars after his signing from Loxwood and promotion

"Shutouts have been a rare commodity for Hassocks over the past six years, so to secure one away from home against opponents from a division above was an excellent rear guard"

from the Under 23s.

The Robins' backline, led by enigmatic man-of-the-match Dan Jacques, kept Chipstead at bay for the most part but when they did find a way through, they found Green in inspired form.

Green set his stall out for the afternoon early, denying Tom Collins with a solid one-on-one save after the Chipstead striker played to the advantage while his teammates and the Hassocks defence froze in the wake of a handball appeal against Harry Mills.

Hassocks' best route to goal appeared to be down the right hand channel.

Harvey Blake fizzed a low cross in after pushing forward from full back and James Littlejohn followed suit, delivering a dangerous ball which Ben Bacon skewed just wide.

Green had to show good hands twice in quick succession just prior to the break, gathering a Sam Clayton

free kick and an effort from Jordan Bird.

Will Broomfield's header from a corner was the first chance of the second half but proved comfortable for Chipstead goalkeeper Oliver Pain to deal with low down to his right.

That was followed by a flurry of activity down the other end.

Green kept out efforts from Collins and Sam Bell with Dan Moody firing wastefully over with a shot on the turn.

A flowing counter attack broke that period of Chipstead domination as Berridge, Enticknap and Troak combined to force Sam Page into a vital block.

The stifling heat then began to take its toll. Bacon needed treatment for cramp, hardly a surprise given this was his third 90 minutes in the space of a week after no football for three months. Bell was also visibly struggling for the hosts.

Bell was forced into continuing however as a freak turn of events saw two of Chipstead's substitutes forced off injured within minutes of coming on.

An overenthusiastic challenge did for Jacob Sewell's ankle and then his replacement Callum Hart limped off.

Hassocks nearly took advantage of all that unrest in the home ranks with two minutes remaining when the best chance of the game fell to young Jack Troak.

Littlejohn again caused havoc down the right hand side, finding Troak but he could only fire over home eight yards out.

Had that gone in, those pints in Coulsdon would have tasted even better.

Hassocks: Green; Blake, Jacques, Mills, Whittingham; Broomfield, Berridge; Littlejohn, Enticknap, Troak; Bacon.

Subs: Stokes (Bacon), Pitcher, Hillwood, Kublickas, Bull (unused).

**Southern Combination League Premier Division
Monday 26th August 2019, The Beacon
Hassocks 1-2 Lancing**

Early Premier Division leaders Lancing put their 100% record on the line at the Beacon and despite the cards being stacked against Hassocks, the hosts came within an 87th minute missed penalty of claiming a point.

Visiting goalkeeper Taylor Seymour superbly kept out Ben Bacon's spot kick, denying the Robins what would have been a deserved share of the spoils.

Even the most hardened Lancers fans would be hard pressed to disagree with that.

Their side under new boss Naim Rouane played some lovely football but it was Hassocks who looked more of a threat playing on the counter and Hassocks who had the better chances.

That was impressive given the circumstances. While Lancing arrived in Mid Sussex after six days rest, the Robins had gone through an exhausting 90 minutes less than 48 hours earlier against Isthmian League side Chipstead in the FA Cup.

Securing a 0-0 draw away at higher division opponents in stifling heat had taken a lot out of Hassocks.

As a result, Mark Dalgleish rested four of the players who'd battled so hard in the Surrey sun.

The most eye catching of the changes was a senior debut for prodigious 19-year-old centre back Dan Turner, one of the stars of Hassocks' treble winning Under 18 side of two seasons ago.

Nick Pitcher made his first start since 2016 after a spell away with Dan Stokes and Joe Bull the other men promoted to the starting line up.

Such changes would've been disruptive enough on their own, but there was further interruption to come as Dalgleish then had to use all three of his substitutes before the

start of the second half following a raft of injuries.

Pitcher and Turner were two of those with Will Broomfield and Dan Jacques coming on. Harvey Enticknap was also lost at the break, replaced by James Littlejohn.

It says much about the quality of the first half that Littlejohn was probably Hassocks' best player and Alex Fair - introduced early on in the second half for Lancing - was the visitors' man-of-the-match.

The lack of entertainment in the opening 45 minutes was in stark contrast to what the bumper Bank Holiday crowd had been promised.

All the talk before the game had been of the high scoring nature of fixtures between these two, but chances were few and far between.

When they did come, they fell to Hassocks. A header from Pitcher forced Seymour to parry behind early on and the young Lancing stopper then saved comfortably from Enticknap.

For all their possession - and they had a lot of it - it took until the stroke of half time for Lancing to force Josh Green into a save, the Hassocks goalkeeper denying his former club with a decent stop from a James Beresford free kick.

The Lancers looked more purposeful after the break and they nearly took the lead within minutes of the restart, a stretching Harry Mills doing just enough to turn a Beresford cross out for a corner before it could reach Lewis Finney.

Hassocks too were showing more intent and Matt Berridge foxtrotted past a couple of Lancing players before setting back to Stokes whose effort brushed just the wrong side of the post.

This was now much more like a traditional Hassocks versus Lancing game and on the hour mark, the deadlock was broken by the lively Littlejohn.

Ben Bacon had gone scampering

away down the left before sizzling in the perfect cross to Littlejohn who judged the delivery expertly, held off a defender and then sent an unstoppable volley crashing past Seymour.

That was the least Hassocks deserved and they could have doubled the advantage shortly after when Broomfield's 30 yarder tested Seymour.

Lancing looked rattled but there is a reason Rouane's side haven't dropped a point so far this season and they gradually began to work their way into the game in the final 20 minutes.

Green did well to push away another Beresford free kick after a foul on Finney which must have been a hairs breadth from being inside the area.

Two goals in the space of three minutes from Fair then completely changed the complexion of the tie.

The frequency with which Hassocks concede from set pieces is well known but there was little they could do to prevent the first of Fair's double, a stunning header with power and direction from a corner out on the left.

His second was an equally impressive finish, coolly beating Green with a curling effort from the edge of the box.

Hassocks were flagging by now but they still managed to muster one final attack, Omar Bukleb bringing it to an illegal halt when he scythed down Bacon in the box.

Lancing had no complaints about the award but after dusting himself down, Bacon saw his effort saved by Seymour.

Hassocks: Green; Blake, Turner, Mills, Troak; Berridge, Pitcher; Stokes, Enticknap, Bull; Bacon.

SUNDAY FUN DAY AS ROBINS TASTE SUCCESS IN THE VASE

**Buildbase FA Vase First Qualifying Round
Sunday 1st September 2019, Meridian Sports & Social Club
Meridian Valley Park 0-2 Hassocks**

Sunday, fun day. Never before had Hassocks played a game in senior football on the seventh day of the week, but after this FA Vase victory away at Meridian Valley Park they might be keen to repeat the experience.

The Robins hadn't won a fixture in this competition since 2014 before this 2-0 victory in south east London, delivered thanks to second half goals from Jamie Hillwood and Jack Troak.

They'll now face Horley Town in the second qualifying round at the Beacon with the chance to avenge their 2-0 Premier Division defeat at the New Defence on the opening day of the season.

This was Hassocks' most comfortable afternoon of the campaign so far.

They never really hit top gear against their hosts who play one level lower than the Robins in the Southern Counties East League Division One, and yet were still deserved winners.

Hassocks should have taken the lead inside of the first five minutes as chaos and confusion reigned in the Meridian box following a corner from the Robins.

The melee began when Will Broomfield flicked the delivery onto Harry Mills at the back post, who somehow contrived to defy the laws of physics by smashing the crossbar from a couple of yards out.

The loose ball fell to Matt Berridge whose effort was quite clearly blocked on the line by a Meridian hand.

While most of the ground could see the offence, the referee was left unsighted by the plethora of white and red shirts between him and the line, although quite what the linesman on the far side was doing to miss it is anybody's guess.

Hassocks dominated possession after that, no mean feat on a surface that was difficult in places but they failed to seriously test Ben Ashton in the home goal.

Josh Green meanwhile was having an equally quiet afternoon, fielding a couple of long shots and dealing confidently with a plethora of balls launched into his box.

Meridian came into the game more in the second half, but in a way that helped Hassocks as it allowed them to look to play on the counter where they can be so dangerous.

The Robins hadn't won a fixture in this competition since 2014 before this 2-0 victory in south east London, delivered thanks to second half goals from Jamie Hillwood and Jack Troak."

Part of their threat comes from the amount of pace there is among the ranks and it was the introduction of one such speed merchant in Hillwood from the bench that ultimately helped to win the game.

Hillwood replaced Harvey Entincknap and was instantly involved as the Robins took the lead with 67 minutes played.

Ben Bacon's battling for possession was rewarded when he dispossessed Martin Begg to slip in Hillwood.

It was tight as to whether the Hassocks forward was onside and the hosts certainly felt he wasn't as their entire backline stopped to appeal for a linesman's flag.

That flag wasn't forthcoming though and Hillwood bore down on goal, beating Ashton despite the fact that the Meridian goalkeeper managed to get a hand to it.

Meridian had to force the issue after that as they committed more and more players forward, so Hassocks were able to exploit the space they were being gifted in behind a relatively cumbersome defence.

On 76 minutes, that yielded a second goal for the Robins although there was an element of fortune about it.

Troak had embarked on a powerful run down the right, from where he tried to square back to Bacon who was free in the middle.

The cross was cut out by Jacob Skelly but unfortunately for the Meridian left back, his block resulted in the ball falling straight back to Troak who caught Ashton by surprise by managing to find a way to finish inside the near post.

Hassocks were now 15 minutes away from their first Vase win in five years but it still wasn't a done deal as Meridian chucked the kitchen sink at their visitors.

On came Dan Stokes and Harvey Ransome, making his first team debut after being on the stars of last season's Under 18s squad who finished runners up in the Southern Combination Youth League Central Division.

Those changes helped to take the sting out of the game somewhat and Hassocks saw proceedings out in professional style on a Sunday to remember.

Hassocks: Green; Blake, Mills, Kublickas; Whittingham; Broomfield, Berridge; Littlejohn, Entincknap, Troak; Bacon.

Subs: Hillwood, Stokes, Ransome (used), Jacques, Bull (unused).

JOHN'S NEW-LOOK UNDER 23S GO DOWN TO NEW BOYS OAKWOOD

**Southern Combination League Under 23 West Division
Thursday 22nd August 2019, The Beacon
Hassocks U23 1-2 Oakwood U23**

New-look Hassocks Under 23s welcomed newcomers Oakwood to the Beacon on the opening night of the Southern Combination West Division season.

And it was the Oakmen who marked the occasion with all three points as two goals from Josh Neathey delivered a 2-1 win.

It's been a summer of transition for the Robins. Many of the squad that had finished runners in the league up for the past two seasons have moved on.

Some were no longer eligible due to their age while others have gone to have a crack at first team football in Division Two with St Francis Rangers. Manager Nigel Pearce also departed.

Dave John has taken over and looks set to rely on the core of the Under 18s squad who delivered a treble under his tutelage two seasons ago.

As a result, it will be a young side that Hassocks field this campaign. There is a definite step up in class from youth to development football, so it will be interesting to see how they progress over the course of the campaign.

Despite this defeat to an Oakwood side who were making their bow at Under 23 level, there were some promising signs for John and his charges going forward.

Five of Hassocks' starting 11 were making their full debuts for the Under

23s with Matt Denyer, Jack Gardner, Joe Tatford and Dan Turner all having played their youth team football for the Robins.

The one exception was goalkeeper James Earl, an extremely exciting prospect who has joined from Eastbourne Borough, for whom he made a couple of first team appearances from the bench last season.

There were further debuts from the bench for Thomas Jupp and Connor Weir while John also called upon the experience of first team duo

"It's been a summer of transition for the Robins. Dave John has taken over and looks set to rely on the core of the Under 18s squad who delivered a treble under his tutelage two seasons ago."

Joe Bull and Nick Pitcher.

Both have found opportunities limited so far, so this was a good chance to get minutes under their belts while for Pitcher, it was his first appearance in as Hassocks shirt since 2016 following a couple of seasons in the Mid Sussex League with Burgess Hill Albion.

Despite all of those new faces, it was a player who's been banging in the goals consistently over the past two seasons who got the Robins off the mark as George Galbraith-

Gibbons was the Hassocks scorer.

With James Littlejohn now firmly ensconced in the senior squad and Max Willcox one of those who's moved to Colwell Road, much of the goalscoring burden looks set to fall on Galbraith-Gibbons shoulders this season.

The striker scored six times last year despite only starting three games. He will almost certainly be getting more minutes this time around and with a paucity of available strikers at the club currently, could yet fire himself into the first team shake up.

Galbraith-Gibbons' goal arrived in the 74th minute, by which point Hassocks were 2-0 behind.

Neathey has already scored three times this season for Oakwood's front side in Division One and he showed his quality with goals in the 57th and 73rd minutes which secured the perfect start to life for his side.

Hassocks: Earl, Denyer, Turner, Pitcher, Tatford, Ross, Gardner, Dimelow, Russell, Bull, Galbraith-Gibbons.

Subs: Alderton, Bradley, Jupp, Weir (used).

Ladies back in the Premier Division with a tough looking start

After winning the South East Counties Women's League Division One title last season, the Ladies return to the Premier Division for the 2019-20 season - where their campaign will begin with a tough run of games...

The Robins will start their season this Sunday against Lewes FC Foundation, who are effectively the development squad for the Rooks' Women's Super League first team.

That tie takes place here at the Beacon with a 2pm kick off. A week later and the Robins are on the road away at Phoenix Sports.

Crawley Wasps Reserves will then make the short journey to Mid Sussex on Sunday 22nd September - their first team famously made it all the way to the fourth round of the FA Cup last season where they met eventual WSL Champions Arsenal.

Two away games follow that with trips to Ashford on September 29th and a visit to Parkwood Rangers to kick off October on Sunday 6th.

Old rivals Worthing come to the Beacon on Sunday 13th. There is no shortage of history between the Robins and the Rebels, Hassocks having defeated them to win the

League Cup in 2018 before repeating the trick last season with a shock victory in the last eight of the same competition.

Hassocks go the Rookery to take on Lewes a week after that before facing Eastbourne United on October 27th, which will be the first meeting between the two clubs since the old Eastbourne Ladies side joined forces with the Southern Combination

"The majority of Martin Lee's double winning squad have signed on for another season and hopes will be high that the Robins can make a good impression on the division."

League outfit.

There is currently no game scheduled for November 3rd. Two home fixtures follow that against

Phoenix on November 10th and Herne Bay on November 17th.

Further fixtures are set to be announced in due course with the division also consisting of Newhaven who the Robins are yet to face in a competitive fixture.

On the signings front, Hassocks have lost the services of last season's 37 goal top scorer Billie Philpott who has moved up the divisions to try her luck with Saltdean United.

Other than that, the majority of Martin Lee's double winning squad have signed on for another season and hopes will be high that the Robins can make a good impression on the division.

All home games kick off at 2pm unless otherwise stated and entrance is free.

It's a great way to get a Sunday football fix and Lee and his players would really appreciate any support that you can give them.

ON THIS DAY

After finishing sixth in 2010-11, hopes were high that Hassocks could secure their highest placing in 2011-12. Three defeats from five league games wasn't in the script before East Grinstead Town came to the Beacon on this day in **2011...**

ROBINS FAIL TO SING AGAIN IN ANOTHER LEAGUE LOSS

The 2011-12 season isn't going to plan so far for hapless Hassocks.

Their 3-1 opening day win over Selsey promised much but since then, the Robins have picked up just one point from a possible 12.

That leaves them with a record which reads three defeats in five games, something that they need to turn around and fast if Mickey Jewell and his charges are to try and better last year's highest ever finish of sixth in County League Division One.

This latest defeat came against a good East Grinstead Town outfit and even those who wear the most red-tinted glasses would have had to admit that it was a deserved three points for the Wasps.

A disappointed Jewell concurred with that view afterwards, saying, "We competed in the first half but didn't in the second half when we were second best everywhere."

"We lost our shape and structure and you could see that there is a severe lack of confidence running through the side with this run we're on."

Jewell attempted to shake things up by making three changes to the side who lost at title favourites Three Bridges on Bank Holiday Monday morning.

Jamie Weston, Kieran O'Callaghan and Elliott Butler were recalled with Lee Waterhouse, Stuart Faith and Andy Whittingham all missing out.

Grinstead came out of the blocks

quickly and that seemed to startle Hassocks who found themselves trailing within eight minutes.

John Paul Collier was a real threat throughout with his set piece delivery and he set the tone for his afternoon when his free kick found Tom Lyons who turned and dispatched the ball into the top corner for his third goal of the season.

The Hassocks response was a good one. Straight from the restart and they almost levelled things up, Butler blasting comfortably wide with Nathan Miles then having an effort on goal blocked after good work down the flank by the pacy Phil Johnson.

Miles wouldn't be denied for long and he tapped home the Hassocks equaliser with 18 played from close range after a Kieran O'Callaghan flick on.

Grinstead were incensed that the offside flag wasn't raised against Miles but, as he so often does, it looked like the striker had timed his run to absolute perfection to anticipate the O'Callaghan winning the initial header.

Hassocks had further chances before the break which they failed to take while there was real concern surrounding Jack Simpson after the Robins' number one required lengthy treatment after injuring his shoulder.

With no goalkeeper on the bench, Simpson continued but he was in visible pain when leaving the Beacon afterwards.

Losing his number one is the last thing that Jewell needs in the midst

of this current run of form.

Simpson pulled off a fine save to deny Kieran McCann early in the second half but there was little he could do when Grinstead retook the lead with 58 minutes gone.

Collier was the scorer this time rather than supplier, fizzing a shot towards goal which just crept inside the post beyond Simpson's despairing dive.

It was comfortable for Grinstead after that. They finished well on top and perhaps should have added to the score but their neat approach play was let down by a wrong final ball or wasteful finishing.

One bright spot for Hassocks was the performance of young winger Ollie Parsons.

He seemed to be the only player in red who worried the Wasps, injecting speed and crossing vision down the left after his half time introduction for Butler.

It's that sort of bravery and confidence that Hassocks need going forward, especially with a potential banana skin waiting in the second round of the John O'Hara League Cup in three days time away at Division Two side Southwick.

Hassocks: Simpson; Westlake, Carruthers, Goodridge, Maynard; Weston, O'Callaghan, Gault, Miles, Butler; Miles.

Subs: Parsons (Butler 46), Robinson (Miles 77), Brown (Maynard 89), Jacques, Hawkes (unused).

Eastbourne Town last season?

It was a typical Eastbourne Town season really. Since their return to the Southern Combination League in 2014, Town have been slow to start every campaign which is ultimately what has cost them in the title race. Last time around, they picked up just one win from their first six games across all competitions before beginning to build up some momentum which saw them finish in third place. The fact that they've started this campaign with four wins from five is therefore a pretty ominous sign for the rest of the title hopefuls.

Hassocks' record against Eastbourne Town?

There have been 34 games between Eastbourne Town and the Robins with Town winning over half of them – 19 – to the Robins nine with six draws along the way. In 24 meetings in the Southern Combination Premier, Town again lead the head-to-head with Hassocks having won just once

in the past 14 years – a shock 2-1 success towards the end of the 2016 -17 season with Phil Gault scoring twice and James Broadbent saving a penalty against his former club.

Last time Hassocks played Eastbourne Town?

Town came to the Beacon late last March and continued their blitz towards a third place finish with a 2-0 success. Tom Vickers and Dan Perry got the goals in a seven minute period towards the end of the first half in what was a pretty comfortable success for the visitors.

How to get to The Saffrons?

The normal route to Eastbourne via the A27 and the A2770, following the road towards Eastbourne town centre. Turn right into The Goffs just before reaching the main station followed by an immediate left into Southfields Road. That is followed by another right into Dittons Road with the Saffrons on the left at the end of the road.

Broadbridge Heath last season?

It was a campaign beset by off the field problems for Broadbridge Heath as their move to their new High Wood Hill Sports Ground dragged on throughout the year. They had been due to move in early in the season but the contractors repeatedly pushed back the opening day, leaving Heath stuck playing at a Broadbridge Heath Leisure Centre facility which was no longer being looked after properly. Despite all that, they remarkably secured their highest ever finish of sixth in the Premier Division. With the new facility now up and running, big crowds packing in so far and a very capable squad, Steve Painter's side could be well set to go even better this year.

Last time Hassocks played Broadbridge Heath?

Our last visit to the Leisure Centre was a pretty disastrous one, ending in a 6-0 defeat last November. Oliver Moore scored twice for the Bears with

the other men on target being George Cousins, Thomas Howard-Bold, Max Howell and Dean Wright. It was by some distance the Robins' biggest defeat in the fixture so far.

Hassocks' record against Broadbridge Heath?

There have been 22 previous meetings between the two clubs. Hassocks lead the way in the head-to-head with nine wins to Heath's eight while there have been five draws. Heath are one of the only clubs in the Southern Combination League that the Robins have faced in all three divisions over the past 35 years.

How to get to High Wood Hill?

Take the A272 to the A24, heading towards Horsham. Leave the A24 at the junction with the A264 before taking the first right onto Old Wickhurst Lane. Take the next right onto Cook Way and the new ground is on the fourth right after that.

Horley Town last season?

Horley spent last season playing in the Combined Counties League Premier Division, where they secured a 10th place finish. They were moved by the FA across to the Southern Combination League for 2019-20 and have taken to their new surroundings pretty well, currently sitting in fifth place in the table. This shouldn't come as a surprise though, given that the Combined Counties is often considered a stronger league than the SCFL.

Hassocks' record against Horley Town?

While the two clubs have met in several friendlies down the years, there have only been two competitive meetings to date. The most recent of those came on the opening day of the season when Horley ran out 2-0 winners at the New Defence. Hassocks didn't really give a good account of themselves on that occasion and so Mark Dalglish will be hoping for better this time around.

The other clash came in the first qualifying round of the FA Vase in 2016, when the Robins lost 4-2 away from home after some horrific refereeing decisions went against the visitors. Kyle Hough, Ryan Brackpool and a double from Richard Whetton put the hosts 4-0 ahead before late goals from Jamie Hillwood and Josh Hawkes added a little bit of respectability to the scoreline from a Hassocks point of view.

Played for both?

Hassocks Reserve and Third Team legend Steve Spies played for Horley before he moved to the Beacon while defender Lee Bryant joined the Robins from the New Defence in 2012, going onto play 44 times over a season-and-a-half for Hassocks.

What's Horley famous for?

It's extremely close to Gatwick Airport while music fans will be delighted to know that Robert Smith of The Cure was born and lived in the town.

Around the League

Bank Holiday Monday saw a full fixture list across all three division of the Macron Store Hastings Southern Combination League. Here's what was going on while Lancing moved two points clear at the top of the table here at the Beacon...

Eastbourne Town dropped their first points of the season as they were held to a 1-1 draw by spirited Newhaven.

Tom Vickers put the visitors 1-0 ahead at Fort Road but an own goal levelled things up to end John Lambert's side's perfect start to the campaign.

Michael Lloyd hit a 91st minute winner for **Peacehaven & Telscombe** as they won 2-1 away at **Eastbourne United**.

Jake Brocklebank had given the Tye the lead although it was short lived as Alfie Headland equalised just four minutes later for United who continue to endure a mixed start.

Two goals inside the first 12 minutes gave **Alford** another three points in their first Premier Division season as they beat **Pagham** 2-0.

Johden De Meyer and Kelvin Lucas were the scorers for the hosts at Alford Rec.

AFC Uckfield Town put their biggest win of the season on the board so far as they hammered **Langney Wanderers** 6-1 at Priory Lane.

Callum Smith scored twice for the Oakmen with Liam Baitup, Bailo Camara, Tyler Pearson and Mayckol Sabino also on target.

After winning their first three games, **Crawley Down Gatwick** fell to back-to-back defeats with a 2-1 home loss to **Broadbridge Heath**.

George Cousins and Jamie Taylor were the scorers for the Bears either side of Oli Leslie's equaliser for Down against his former club.

Steyping Town were the big winners on Tuesday night, defeating **Saltdean United** 3-0 at the

Shooting Field.

Joao Andrade, Scott Faber and Grant Radmore all netted for the Barrowmen with Ross Smith and Karly Akehurst seeing red for Saltdean.

Lewis Hole and Sam Crutwell gave **Little Common** a 2-0 win away at **Lingfield**, Tony Halsey scored the only goal of the game for **Horley Town** in their 1-0 win at **Horsham YMCA** while the division's two winless clubs **East Preston** and **Loxwood** played out a 0-0 draw at the Lashmar.

Division One leaders **Littlehampton Town** maintained their 100% record but had to work hard for it in a 2-1 win over **Worthing United**.

Ben Gray and George Gaskin were on target for the Golds with Dominic Deacon netting the Mavericks' equaliser.

Joseph Benn hit a hat-trick for **Mile Oak** in their 4-2 win over **Seaford Town** in what was a mixed game for former Hassocks players; Michael Gould scoring for Oak while Bradley Tighe was sent off for the Hornets.

Harry Callaghan scored twice for **Arundel** as they beat **Sidlesham** 2-1 while **Midhurst & Easebourne** continued their impressive start to the campaign by winning 3-1 away at **Storrington**.

Wick underlined their promotion credentials by beating another of the fancied teams **Selsey** 4-0 at Crabtree Park and **Shoreham** hit four goals of their own in a 4-2 home win over **Oakwood**.

AFC Varndeanians and **Bexhill United** shared a 2-2 draw at

Withdean Stadium with **Roffey's** first season in senior football continuing to motor along nicely as they hammered **Billingshurst** 5-1 at Chennells Brook.

The game of the day though was at the Beaconsfield where **Hailsham Town** and **Southwick** shared 10 goals as the hosts ran out 6-4 winners.

Sam Townsend and Joey Pout scored braces for Hailsham while three of the Wickers' four goals came via a Harry Heath hat-trick.

Division Two is topped by **Montpelier Villa** after Charlie Palmer's hat-trick gave them a 4-0 win over local rivals **Rottingdean Village**.

Angmering Village defeated **Littlehampton United** 3-1 at Decoy Drive with **Jarvis Brook** seeing off Cophorne 4-0 at the Limekiln.

Jermaine Beer and Mark Cave both scored twice as **TD Shipley** continued their bright start to life back in the Southern Combination League with a 6-0 win against **Cowfold**.

Regan Miles got the only goal of the game as reigning champions **Rustington** beat **Worthing Town** 1-0, **Bosham** defeated **Ferring** 4-1 away from home and the biggest victory across the whole Bank Holiday schedule saw **Upper Beeding** hammer **Brighton Electricity** 9-0 at the Memorial Fields.

Kristian Harding had a particularly profitable morning as he scored six times for Beeding with James Rowland, Johnathon Taylor and Robbie Woodward the other players on target.

Anthony Hibbert

Anthony Hibbert came through the youth ranks at the Beacon as part of the Under 18s side who won a League and County Cup double in the 2001-02 season, making his debut that same year.

From there, there was no looking back for the midfielder. He may not have liked to tackle and he may have been the first player in Hassocks history to make sure his hair looked nice in front of the mirror before he took to the field, but he remains one of the best individuals that the club have ever had.

Hibbert would play 462 times for the club, scoring an astonishing 124 goals from midfield. That was enough to see him represent Sussex.

He left the Beacon a few weeks into the 2014-15 season to join reigning Southern Combination League champions East Preston. A move to East Preston followed shortly after and he spent two years at Gorings Mead before retiring in the summer of 2016.
