Welcome to the Hassocks Hotel Beacon

Good afternoon and welcome to the Hassocks Hotel Beacon Ground for **today's Southern Combination Premier Division game with Wick**

Ourselves and the Dragons used to be regular Premier Division opponents with 39 previous matches against each other.

Today though represents their first time we have met since 2016 after Wick ended a seven-season absence from the top flight by winning the Division One playoffs back in May.

We would like to extend a warm welcome to their players, management, supporters and committee and hope they enjoy their stay with us this afternoon.

Last Saturday saw another big crowd packed in as we took on Haywards Heath Town in the Emirates FA Cup.

It was a game which had everything you want from a local derby and a cup tie rolled into one; the only disappointment being the full time result as we went down 3-2.

There is no disgrace in that to a side as good as Heath and overhearing several conversations afterwards, a fair few people in attendance thought we had just seen the team who will be lifting the Southern Combination title come the end of the season.

To have pushed them all the way gives plenty of reasons to be optimistic over what the next nine months of football will bring.

Things start ramping up from this week with the Under 23s getting their North Division campaign underway on Thursday night against league newcomers Storrington here at the Hassocks Hotel Beacon.

Kick off is at 7:45pm and based on pre-season results and performances, the Under 23s are going to be worth watching this year as they aim to wrestle the title back from Broadbridge Heath.

24 hours earlier and the first team belatedly have a first away game of the season following four consecutive home matches.

We hit the road to Tinsley Lane, home of Oakwood. Lingfield are the opponents and any support you can give will be very much appreciated by Westy and the players.

Player sponsorships continue to prove popular with a whole raft announced this week on social media.

If you would like to show your support for the Robins by sponsoring your favourite, the cost is only £40 for the season. Please speak to Owen behind the bar for more information, or alternatively send us an email to hassocksfc@outlook.com.

At the time of writing, we have no game scheduled for Saturday 17th August. Our next fixture here is therefore a banana skin of a FA Vase tie against Storrington on Saturday 24th August, followed by Bank Holiday Monday home action against Crawley Down Gatwick.

Thank you for your support and we hope you enjoy the game.

Pat's Chairman Chat

Good afternoon and we welcome Wick to the Hassocks Hotel Beacon ground. Good to see them return to the top flight of county league.

I haven't visited their ground since playing against them some 20 years ago and am looking forward to the return fixture.

Last week saw us bow out of the FA cup to our local rivals Haywards Heath.

We were so close to getting a replay and I felt sorry for Tom Frankland having his penalty saved in the last minute.

The highs and lows of football; it makes it special when results eventually go your way.

We functioned as a club again to cater for the large crowd and it's promising to see it run smoothly if we

hope to grow as a club. I'm indebted to the volunteers who give up their time.

I've seen some of Sean's Under 23s and Under 18s recently and they look a promising group.

I came through the Hassocks Under 18s myself, so I'm aware how important it is to have a pathway for players.

Even more so at our level where it's actually achievable to breakthrough rather than the youth teams of Isthmian or National league clubs. where the step is too great too soon.

I'm also hoping to see the women's team in action when they get going as that side of football is growing in this country and we should support that.

Off the field, things happen quickly in chairman land. I had a conversation with the new nursery owners above

the clubhouse about their new venture.

This is important for the club as it provides additional revenue to keep the club alive.

A football club at this level requires massive funding to control unexpected problems and bills.

Every admission, drink and food brought helps to keep the club in good operational form, and we are so grateful for your custom. It all goes back to the club, not lining individual's pockets.

By the time of reading this we should have new LED lights put into the clubhouse, and during the week we have also had another LED floodlight company visit and quote for a needed upgrade.

Up the Robins,
Pat H

Alongside Burgess Hill Town, Wick were the most successful Southern Combination League side of the 1990s. Eight trophies found their way into the cabinet at Crabtree Park, including the ultimate prize in Sussex non-league football of the Senior Cup in 1993...

It has been something of a different story since 2010, however, with Wick spending just two of the past 14 seasons in the Premier Division.

They last played at step five in 2017 with their seven-year exodus ended by winning promotion through the Division One playoffs back in May.

The Dragons finished the regular season in fourth spot before overcoming Worthing United in the semi finals and defeating Seaford Town at the Crouch in the playoff final, having finished six points behind Seaford in the standings.

Wick benefited from dual-signing

several Littlehampton Town players in a similar way to how we have loaned Noah Hoffmann, Joe Overy and Dylan Hurst from Burgess Hill for the new campaign.

Dragons manager Lee Baldwin has spoken of his ambition to see Wick join their neighbours in the Isthmian League in the future, suggesting there is no lack of ambition at Crabtree Park coming into the season.

Wick have subsequently made a good start to life back in the Premier Division, taking four points from their opening two matches.

They drew 0-0 with Division One champions Roffey at Bartholomew

Way on the opening day in a battle of the two newly promoted clubs.

Wick then ran out 2-1 winners at Midhurst & Easebourne. The Rotherfield is one of the toughest places to go in the Premier Division, so for the Dragons to come from behind and claim victory was impressive.

Josh Irish got both the goals against the Stags. Irish netted 28 times last season with David Crouch not far behind on 24.

If those two can repeat the scoring feats in the new campaign, Wick will cause their fair share of problems on their Premier return.

Last time we met...

Saturday 17th December 2016 - Hassocks 0-1 Wick

If anybody was in any doubt that Hassocks are in a battle for Premier Division survival, then this 1-0 defeat against Wick at the Beacon hammered the point home.

Wick arrived at in Mid Sussex without a win in five games, sitting second bottom in the table.

Their win saw their move to within just three points of the Robins in the ridiculously congested lower half in which only five points now separate 13th and 19th.

Things don't get any easier for Hassocks either. Their next four league games are against three of the top four in the division. Come mid January, they could be in real trouble.

Joe Grommett got the only goal of the game on the hour mark, finishing off a counter attacking move as Hassocks again conceded a goal from a passage of play that started out as their own attack.

That seems to have become nearly as much **of a recurring theme this season as the Robins' inability to defend set pieces.**

Those two areas are obvious starting points for Mark Dalglish and Phil Wickwar to look at as a base for dragging Hassocks out of the mire.

It was the talented Danny Simmonds who **led Wick's lightning quick turnover from defending to scoring.**

He had only been on the pitch for a matter of minutes when finding Rob Hutchings, whose cross was turned in by Grommett.

Goalmouth action was sparse in the first half, which was just as well given the heavy fog that encompassed the ground.

Although never serious enough to threaten the game, it did make spectating difficult, particularly when the action was taking place at the far end.

Wick goalkeeper Lewis Broughton made an excellent stop from a Phil Gault free kick while Grommett had a good chance on the stroke of half time but James Broadbent spread himself **to save bravely at the striker's feet.**

Once Wick took the lead Hassocks seemed to lose their heads and all the good work they had done in possession in the first half went out of the window.

The advantage could have been doubled on a couple of occasions. There was a block on the

line from Jordan Badger which looked suspiciously like a handball.

It was the sort of decision that nine times out of 10 gets given but Hassocks somehow got away with it.

They were then indebted to Broadbent for keeping them in the tie with 10 minutes remaining.

The Robins number one pulled off what was quite simply an extraordinary save from point blank range from an Ash Harper header.

Hassocks did manage to carve out a couple more opportunities but they are really missing a cutting edge in front of goal currently.

Their blank here made it a third game in a row without scoring. The returns of Nathan Miles and Michael Death really cannot come soon enough.

Wickwar admitted afterwards to being severely concerned about his sides current run of form.

The Robins have won just three league of their past 17 games dating back to the heady days of August when they had begun the campaign in flying fashion.

"We mustn't panic but the players need to realise we are deep in it now. We've got to pull our fingers out, get some more points on the board and try and get away from the drop zone as it looks like any two of six or seven teams could go down."

One thing that will help is the return of Spencer Slaughter. The popular midfielder was there to watch having recently returned from 10 months of travelling and he has put pen to paper.

Having been out of the game for so long, it will no doubt take Slaughter some time to get up to speed.

But he possesses the sort of battling qualities that are desperately needed if Hassocks are to get themselves out of their current predicament.

Hassocks: Broadbent; Tighe, Akehurst, Badger, Bant; Mills; J Westlake, L Westlake; Hillwood; Bacon, Gault

Subs: Benson (used), Barnes, Galbraith-Gibbons, Avram, John (unused).

Wick 1-2 Hassocks - Saturday 30th September 2006

Matt Amos has been threatening a first senior goal for several weeks now. It finally arrived and at the perfect time for Hassocks, a crisp 89th minute volley securing a 2-1 Sussex RUR Charity Cup win at Wick.

The Robins' reward is a winnable third round home tie with Division Two opponents Seaford Town. Might this be the season Hassocks finally end their long wait for a trophy?

Extra time was looming large with the scores locked at 1-1 when Amos struck. Mickey Turner put in a superb delivery from the right which Amos met first time with his left foot from eight yards out.

You could see how much it meant to the 17-year-old with the way he celebrated. His teammates too were clearly delighted for him.

The excitement was even greater amongst the travelling contingent. Or to be more **precise, Amos' father, who almost ended up tumbling over the perimeter fence and onto the pitch.**

Mr Amos will probably need to get used to the feeling that comes with seeing his son score.

Dave John said earlier in the season that he believed once Amos got his account up and running, the goals would start flowing regularly. That theory will now be tested.

Amos' goal capped a very exciting tie which ebbed and flowed. Both sides could justifiably claim they deserved to win as chances were frequently exchanged in an end-to-end encounter.

John and Wick manager Carl Stabler have been locking horns for years. They know each other well and have reputations for believing in youth; something that was evident from their respective starting XIs.

Wick were lively up front through Phil Turner and Jason Power. They also had a couple of tricky midfielders in Tom Manton and Matt Axell, who the Robins midfield trio of Matt Robbins, Anthony Hibbert and Stuart Faith did well to counter.

Joel Harding was first called into action on 12 minutes to deny Turner with his legs. **Harding's opposite number Simon Davey then saved from Hibbert.**

Amos was next to test Davey with a fine turn and shot which the Wick goalkeeper

tipped over at full stretch.

Grant Vanson shot low but Harding was equal to it before Hassocks took the lead on the 30 minute mark.

Hibbert delivered a corner headed in by Mark Sheriff, much to the obvious surprise of his teammates and indeed the diminutive striker himself.

Sheriff missed a good chance to double the lead just before the interval. Another Hassocks teenager in Sam Fisk exchanged passes with Robbins to tee up Sheriff, who shot wastefully off target.

Early in the second half and a lovely clip up the line from Ashley Marsh sent Amos scampering away down the left. He cut inside but again Davey proved equal to it with a fine save.

Hassocks now seemed to be taking control. Amos drew an almost identical tip over from Davey as in the first half.

Davey then messed up clearing a back pass, gifting the ball straight to Sheriff. The goal was gaping but the angle too difficult, leaving Sheriff unable to guide the ball into the empty net.

Almost immediately, the Robins were made to regret not getting a two-goal cushion as Wick equalised.

A long ball from midfield caught out the Hassocks defence to find Manton. He beat Harding with a clinical finish from inside the box.

Neither side seemingly wanted an additional 30 minutes as both went for the win in the final half hour.

Sheriff had a shot cleared off the line, Ben Torode fired wide and Power extended Harding with a distance drive.

No player on the pitch had worked harder than Amos though and his tireless shift was rewarded with that winning goal right at the death.

Hassocks: Harding; Turner, Lear, Hewitt, Marsh, S Fisk; Robbins, Faith, Hibbert; Amos, Sheriff.

Subs: Brown, Slaughter, Harvey (unused).

Hassocks Hotel become sponsors of the Beacon

Now the sign is up and the photo has been taken - it is officially official...

Hassocks Football Club are delighted to announce that for the first time ever, the Beacon will have a sponsor for the 2024-25 season.

The home of the Robins is now officially known as the Hassocks Hotel Beacon Ground after landlord of the pub, Chris Lambe, took his generous backing of the club to the next level.

Chris has been a long-term supporter of the Robins, most notably when sponsoring the first team, Under 23s and Under 18s kits between 2016 and 2020.

As well as Hassocks FC, the Hassocks Hotel also support the Juniors section and other sporting clubs in the village, including Keymer

& Hassocks Cricket Club, Keymer & Hassocks FC and Hassocks Fatboys FC.

The Hassocks Hotel is home to live comedy, shows all major sports on its televisions and hosts regular outside food vans as well as serving food itself.

Other events take place throughout the year such as live music, regular poker nights and quizzes.

It has a large garden with a playpark and a function room which can be hired for private events.

The Hassocks Hotel is a popular spot for Robins fans before and after home games due to its location next to Hassocks Station, just a 10 minute

walk away from the Hassocks Hotel Beacon Ground.

You can find out all that is going on at the Hassocks Hotel on their website - thehassocks.co.uk - or by following their Facebook and Instagram pages. Just search for the Hassocks Hotel on either platform.

We thank Chris for his fantastic support and look forward to welcoming everyone to the Hassocks Hotel Beacon Ground this season.

The club is always looking for new sponsors and commercial partners, with opportunities including pitch side and programme advertising. To find out more, please email jroberts254@gmail.com.

Bygraves bows out in style against Saltdean

Alex Bygraves bowed out from the Hassocks Hotel Beacon Ground in style. His final appearance in a Robins shirt saw him named Starman, helping Hassocks to a clean sheet and a 1-0 win over Saltdean United.

Bygraves and his young family are moving imminently to Dubai. As a result, he had not been due to play this season.

But with the Robins' two new centre back signings in Liam Hendy and Will Berry both unavailable and Dan Turner suspended for the campaign opener, Bygraves answered James Westlake's call to help out.

What made the popular defender's performance even more impressive was that it came having barely kicked a ball for six months.

Bygraves had little involvement in pre-season training, believing his Hassocks career over.

He last turned out for the Robins back in February away against former

club Peacehaven & Telscombe, where a knee injury brought his 2023-24 campaign to an early end.

It was the fourth serious injury of his career. Bygraves had already shown remarkable resolve to come back from a fractured foot, an MCL and a horror leg break during his time at Lancing.

To return once again and only for a one-off appearance to help out Hassocks speaks volumes about Bygraves.

The defender was one of **Westlake's chief transfer targets** when he took over as Robins head coach in the summer of 2022.

Hassocks fought off a host of **other clubs for Bygraves' signature**, convincing him to make the move from Peacehaven.

He soon became Robins club captain and one of the first names on the team sheet, making 76 appearances and scoring seven goals.

Bygraves initially came to

prominence with Haywards Heath Town, captaining the Bluebells to promotion from Division Three, the Division Three Cup and the Sussex Intermediate Cup in the 2012-13 campaign.

Seven years at Lancing where he won a Peter Bentley League Cup were then followed by one-season with Peacehaven before joining Hassocks.

Westlake paid tribute to Bygraves following the victory against Saltdean, saying: "Massive thank you to Alex for the last two seasons. A proper defender, such a competitor and incredibly loyal. We have been fortunate to have him."

"It says so much that he threw himself into a competitive game after being out injured for the last ix months."

"We also have to thank his family, wife Natalie and their two little champs for all their support. We wish them all the best in their new venture, **They are Robins for life.**"

Bromage the hero as Heath edge out Hassocks in dramatic FA Cup derby

Emirates FA Cup Extra Preliminary Qualifying Round
Saturday 3rd August, Hassocks Hotel Beacon Ground
Hassocks 2-3 Haywards Heath Town

Having been drawn together in the FA Cup for the first time, Hassocks and Haywards Heath Town did not disappoint in putting on a dramatic Mid Sussex Derby in the extra preliminary qualifying round.

At 99 minutes, a Tuesday replay at the Home Smart Energy Stadium looked like it could be on the cards.

Yellow-clad Heath led 3-2 but had just given the Robins a lifeline back into the tie when a Tom Frankland shot was blocked by the arm of Byron Napper for a last-gasp penalty.

With silence descending around the Hassocks Hotel Beacon Ground, Frankland himself took the kick.

As Frankland struck, Bluebells goalkeeper Mitch Bromage went the right way and showed superb reactions to stick a hand down low and propel the ball around the post.

Robins hearts were broken. Heath pocketed a useful £1125 in prize money and will now host Deal Town in the next round.

Doubtful it will prove much consolation, but Hassocks could at least take away the fact they had pushed the Southern Combination title favourites to the brink.

Some supporters were yet to leave the newly-named Dave John Lounge when the Robins took the lead with only three minutes on the clock.

Hassocks played out from the back through Fraser Trigwell and Liam Hendy clipped a ball over the top.

Excellent has been Jack Troak's middle name so far this season. He raced onto the pass and delivered a looping cross towards the back post.

Arriving there was Big Alex Fair. It seemed to take an age for the ball to fall from the sky but Fair watched it

all the way and when it did, he crashed a first-time volley across Bromage and into the opposite corner of the Heath goal.

That fast start was followed by a lull in proceedings until the Bluebells equalised via their first effort on goal with 23 minutes played.

Heath centre back Josh Spinks embarked on a run forward, finding himself in a crossing position on the right wing.

Alex Plummer was the recipient. His shot looked to be heading straight at Trigwell, only for it to deflect off the head of Bradley Tighe and into the far corner.

Robins captain Harvey Blake set up Morgan Vale for an effort requiring a sprawling save from Bromage as Hassocks initially responded well to conceding.

Entering the final 10 minutes of the half, however, and the Robins were their own worst enemy as they began gifting away possession.

An attempted pass from Blake to Tighe turned into a through ball for Darius Goldsmith. Trigwell stood up to save the one-on-one, followed by Plummer blazing the rebound into the playpark behind the goal.

But the let off did not last long. One minute later and Noah Hoffmann and Fair got their wires crossed, gifting the ball to Heath.

Uncharacteristically, Jack Meeres failed to find a yellow shirt with his subsequent pass forward. Tighe instead intercepted but was then dispossessed himself by Lewis Finney.

Now faced with Finney, Trigwell raced from his line and brought down the Bluebells forward for a clearcut penalty. Finney did the rest from 12

yards, giving Heath the lead nine minutes before the break.

Onto the second half, which was something of a slow burner. Neither side mustered an opportunity until Hendy equalised on the hour.

Fair headed down a cross for Jamie Wilkes. The tall striker saw his shot well saved from point blank range by Bromage.

Charging onto the scene though was Hendy, who smashed home the rebound for his first Hassocks goal.

Unsurprisingly, Hendy enjoyed that one having swapped Haywards for Hassocks in the summer.

Nearly 10 minutes were lost when Spinks required treatment from Robins physio Ash Cooper, meaning that although Heath grabbed their third with 89 on the clock there was still plenty of time remaining.

The towering head of Meeres beat Trigwell, Wilkes and Tighe to a corner for what proved to be the winner.

Sympathy abounded for Frankland 10 minutes later, although he is not the first Robin to miss a last minute FA Cup penalty - the same fate befell the great Phil Gault 10 years ago against Chipstead, after which Gault famously punished himself by spending Saturday evening in notorious Burgess Hill nightspot Jacobs Post.

Hassocks: Trigwell; Blake, B Tighe, Hendy, Bull; Fair, Budd, Wilkes, Troak; Hoffmann; Vale.

Subs: Hurst, Frankland, Farrell, Berry (used), Munday, Loversidge K Nandhra (unused).

Hibbert double gives Robins opening day win over Marigolds

The opening day of the County League season saw Hassocks come from behind via a superb second half showing to score a 2-1 victory over Littlehampton Town.

Anthony Hibbert got both the Robins goals to see off visitors who many consider to be dark horses for the title.

Littlehampton won Division Two at a canton last season but it was their cup form which really caught the eye.

The Marigolds eliminated no less than eight higher division clubs from knockout competitions.

Hassocks were included in that number, losing at the Sportsfield in the quarter finals of the **John O'Hara League Cup back in February.**

There was clearly something about Mid Sussex's senior outfits that Littlehampton liked as they also recorded shock wins against Burgess Hill Town and St Francis Rangers.

Missing the holidaying Phil Gault, Mickey Jewell opted to play a 4-5-1 formation with Nathan Miles ploughing a lonely furrow up front.

Miles' hard work was solely responsible for the few half chances Hassocks created in an opening 45 minutes otherwise dominated by the Marigolds.

Littlehampton had enough possession and first half chances to put the game beyond doubt.

It was only a combination of disciplined defending and wasteful finishing which meant the Robins went into break just one behind rather than two or three.

The Marigolds had already created a couple of good opportunities before taking the lead on 18 minutes.

Hassocks were unconvincing in attempting to clear their lines, only succeeding in getting the ball out to Scott Packer on the left touchline.

Packer's cross back into the box dropped over the head of Jack Simpson and into the back of the net with a little assistance from the wind.

Simpson is back at the Beacon after finishing last season at Worthing, although his return will last only until November when he heads off travelling.

The interval saw Jewell switch to 4-4-2 and introduce Phil Johnson up front. Jamie Ingham

was the unfortunate sacrificial lamb on his first Hassocks appearance since 2008.

A series of knee injuries have restricted Ingham to playing in the Mid Sussex League over the past five years but he has been talked into a senior football comeback to help plug the gap left by some big-name summer departures from the Robins midfield.

Ingham will have a huge part to play over the coming months. This though was a game **crying out for Johnson's pace** - and it did not take long for the lawman to make a difference.

Midway through the second half and Johnson burst into the Littlehampton box, where he was tripped by a visiting defender.

Referee Michael Ryan had no option other than to point to the spot. Hibbert did the rest by finishing with aplomb from 12 yards.

That was on 65 minutes. Just five later and Hibbert struck again to complete the turnaround.

Laurence Robinson has forced his way back into first team contention after impressing in pre-season having enjoyed a goal-laden campaign for the treble winning Reserves last time out.

Robinson cut in from the left on a run halted illegally 25 yards out. Hibbert did the rest, completely bamboozling the Marigolds goalkeeper with a brilliant direct free kick.

Hassocks almost had a third another five minutes later when Miles found himself running clear on the counter, only to be denied by a fine last ditch tackle.

Littlehampton poured forward in the final 15 but could find no way through as the Robins held on, much to the delight of a bumper Beacon crowd of 150.

Included in that number were players from **the club's Juniors section, who received a** coaching session on the pitch before the game and acted as mascots as part of the celebrations for Sir Bobby Robson National Football Day.

Hassocks: Simpson; South, Marsh, Pitcher, Maynard; Ingham, Hibbert, N Cooper, O'Callaghan, Robinson; Miles.

Subs: Johnson (Ingham 45), Hillwood (Robinson 77), Davess, Common, Harris (unused).

FOOTBALL LEAGUE

Around the League

Seven other Southern Combination Premier Division sides will join our conquerors last weekend Haywards Heath Town in the preliminary qualifying round after winning their respective ties last week, the highest number for many years...

Our round up starts at the Oval, where Eastbourne United ran out convincing 4-0 winners against Sporting Bengal United.

Trevor McCreadie scored in the 25th and 91st minutes, his first two goals for United sandwiching 49th and 78th minute efforts from Ed Ratcliffe and Charlie Ball respectively.

Lewis Gould struck the only goal of the game for Crawley Down Gatwick, who came away from Holmesdale with an impressive 1-0 victory.

It was the same scoreline between Lingfield and Hollands & Blair, Lngers captain Conor Wilford netting to send his side through.

There were three all-Southern Combination League ties, the first of which saw Horsham YMCA rack up five goals in a game for the second time this season with a 5-1 thrashing of Newhaven.

Conner Colcutt and Luke Roberts struck early to put YM 2-0 ahead after only 16 minutes. Hayden Neathey made it 3-0 on 55, **Colcutt added his second and YM's fourth on 68** and substitute Ashley Dugdale made it five with three minutes remaining.

Jack Shonk pulled one back for the Dockers 60 seconds from time. YM will now face local rivals Broadbridge Heath next in what looks to be one of the ties of the preliminary round.

Saltdean United and AFC Varndeanians played out a five-goal thriller just about edged 3-2 by the hosts at Hill Park.

Alfie Marchant gave Varndeanians a third minute lead but quickfire goals from Alex Patching and Kacper Ziolkowski saw Saltdean onto half time ahead.

Patching put the Tigers 3-1 ahead with 50 minutes played and although former Robin George Mitchell-Phillips pulled another back for Varndeanians with seven remaining, Saltdean held on for victory.

The final all-Southern Combination League tie saw Michael Death get the first win of his second spell back in charge of Shoreham.

Tom Howard-Bold netted twice for the Musselmen as they defeated Peacehaven & Telscombe in a fixture held at the Saffrons due to an archaeological dig taking place at the

Window Workshop Sports Park.

Crowborough Athletic were held 1-1 by Bearsted at the Crowborough Community Stadium, necessitating a midweek replay away from home.

Alfie Lambden was on target in the first fixture with the Crows going onto win the second 2-1 in extra time. Harry Forster struck on 108 minutes, followed by Leo Vowles on 114.

Also getting the job done at the second attempt were Loxwood. The Magpies drew 0-0 at British Airways on Saturday before enjoying a safe flight into the next round, triumphing 3-1 in a replay back at the Nest.

There were heavy defeats on the road for Petersfield Town and Bexhill United, who lost 5-0 at Baffins Milton Rovers and 7-0 at Merstham respectively.

Erith Town inflicted a 6-2 defeat on Pagham, for whom Carl Brown and Evan Harris were on target. Roffey were beaten by four clean goals as well, losing 4-0 to Deal Town.

Lewis Rustell scored for Midhurst & Easebourne in a 3-1 defeat at Balham, whilst Bexhill United were edged out 1-0 against Faversham Town at the Beaconsfield.

There were three Premier Division games played on Tuesday night, when Horsham YMCA and Haywards Heath Town both made it two wins from two league matches.

Heath were 3-0 victors at home against Little Common. Lewis Finney scored a penalty sandwiched between two goals for Jack Meeres.

YM had to play out the final 20 minutes of their home game against AFC Varndeanians with only 10 men after Ben Chowney picked up a second yellow card.

They did so successfully, however, maintaining the 2-1 lead given to them earlier by Josh Neathey and Luke Roberts. Alfie Marchant got the Varndeanians consolation.

The other game saw Crawley Down Gatwick squeak past Newhaven 4-3 at the Haven. Ex-Brighton striker Jake Robinson got his first Dockers goal but it counted for nothing against the free-scoring Anvils.

Coming up for the Robins

Lingfield v Hassocks

Southern Combination League Premier Division
Wednesday 14th August 2024, 7:45pm kick off
Tinsley Lane, Crawley, RH10 8AT

Lingfield last season

The Lingers spent last season ground sharing with Horley Town and although they return to Godstone Road for the new campaign, our visit will take place at Tinsley Lane (home of Oakwood) for cricketing reasons. Despite living a nomadic existence, Lingfield still managed to finish in 11th. That was about in line with **manager Dan Burnett's expectations**. Burnett has said he feels his squad can be on the cusp of the playoff race if they remain injury and suspension free this season.

Head-to-head

There have been 33 meetings with the Robins leading the head-to-head with 15 wins to the Lingers' 10, leaving eight draws. Lingfield had been the dominant side since their Premier Division return in 2018 but Hassocks now have

four wins, one draw and one defeat from the past six matches.

Last time we met

Simpson grabbed the only goal of the game as Lingfield won a low quality affair 1-0 at the New Defence in December.

How to get to Tinsley Lane

Take the A23/M23, come off at Junction 10 and head towards Crawley on the A2011. At the first roundabout, go all the way around to the fourth exit for Gatwick Road and Manor Royal. Take the second exit at the next roundabout, continuing on Gatwick Road. Tinsley Lane will be on your right, between the Kia showroom and the next roundabout. Take the first left onto Kenmara Court and the ground is at the end of the road.

Hassocks v Storrington

Isuzu FA Vase First Qualifying Round

Saturday 24th August 2024, 3pm kick off

Storrington last season

Storrington lost their long-held senior status when relegated from Southern Combination Division One at the end of the 2022-23 season. Their stay in Division Two proved brief, however, as they won immediate promotion as champions by a huge margin of some 11 points from runners up Bosham. The Swans averaged more than three-goals-per-game in the league and also reached the final of the Sussex Intermediate Cup, where they lost to Rustington. Storrington have kept the majority of their title winning squad together coming into the new campaign, although the loss of 14-goal top scorer Matt Wilson has come as a blow.

Head-to-head

There have been 14 matches between

ourselves and the Swans although only one of those has come in the last 30 years. We have won eight, there have been four draws and the Swans have two solitary wins from when they completed a Southern Combination Division Two double over us in the 1990-91 season.

Last time we met

Mickey Jewell took his Hassocks side to Storrington Recreation Ground in the second round of the 2012-13 Sussex Senior Cup. We ran out 5-1 winners on a night memorable because Ashley Marsh scored his second goal for the Robins over 300 appearances and eight years after his first. Our current head coach James Westlake put us 1-0 ahead before Marshy struck to the surprise of, well, everyone. Two goals from Dan Smith and one from Anthony Hibbert completed the scoring.

Hassocks v Crawley Down Gatwick

Southern Combination League Premier Division

Monday 26th August 2024, 11am kick off

Hassocks Hotel Beacon Ground, Brighton Road, Hassocks, BN6 9LY

Admission prices £8 adults, £4 concessions, Under 16s free

Crawley Down Gatwick last season

It was something of a hangover season for the Anvils last time out and nobody could blame them for that. Not only did they come within three points of beating Broadbridge Heath to the Southern Combination League title in 2022-23, but they then suffered the disappointment of playoff defeat against Sutton Common Rovers which denied them promotion to the Isthmian League. Down were slow to start 2023-24 as they recovered from the double blow but enjoyed an excellent second half of the season to secure a ninth place finish. If they can replicate their form from January onwards over the entirety of the new campaign, then the Anvils could well find themselves back in the promotion picture this time around.

Head-to-head

Hassocks v Crawley Down used to be one of the highest-scoring games on the Southern Combination League circuit, regularly throwing up ridiculous scorelines such as 5-3 and 6-4 wins for the Robins. That means the head-to-head shows 94 goals from 29 meetings, although things have calmed down considerably recently. We have 14 wins overall and Down 10, leaving just the five draws.

Last time we met

It was a come-from-behind win in March which helped keep our playoff hopes alive. Jamie Bakhit headed Down into the lead right on the stroke of half time. Faris Khalloqui equalised on 55 before two goals in the space of eight minutes from Leon Turner secured a 3-1 victory.
